Office of Career Services
Turnout
23 January 2013
www.vmi.edu/careerservices

Additional Details Available in Career Services: Please go to ***KeydetConnect*** (see below) for more information and to see the application instructions for each position**.** *KeydetConnect* is a web-based management tool that can be extremely valuable in your career search. With your account, you can view job and internship postings, upcoming On-Post employer visits/presentations and submit your resume for upcoming On-Post interviews for internships as well as any employer postings. Please click on the KeydetConnect User's Guide for information on setting up an account.

Resume Reviews: In order to upload a resume to jobs on KeydetConnect, you must schedule an appointment with Career Services to have your resume reviewed and approved. Please contact Career Services at careerservices@vmi.edu to set up an appointment to have your resume reviewed.
