KeydetConnect is a web-based management tool that can be extremely valuable in your career search. With your account, you can view job and internship postings, upcoming On-Post employer visits/presentations and submit your resume for upcoming On-Post interviews for internships as well as any employer posting. Please click on the KeydetConnect User's Guide for information on setting up an account

For additional information on internships, please go to **Internships.com** for a database focused solely on internships (over 17,000 listings, and over 7, 000 organizations/companies). Please click on the Internships.com User's Guide for more information on Internships.com.

If you would like more information on obtaining an internship, please contact **Career Services**.

You can find this and earlier turnouts on our website.

Resume Collection – Employers collecting resumes for full-time or internship employment
Interviews on Post – Interview Sessions set up by employers from collected resumes.
Information Sessions on Post – Events set up by employers to speak to cadets about their organizations
Career Fairs – Opportunities for cadets to meet with several employers at one event.
