VMI Motor Vehicle Policy

1. **Purpose**

This policy provides guidance to all operators of motor vehicles on the Post of Virginia Military Institute to include the requirements for registration of vehicles on Post, parking rules, and moving traffic violation instructions.

2. **Authorized Vehicles on Post**

All VMI employees and authorized Cadets, subject to certain restrictions outlined herein, are permitted to possess and operate motor vehicles on Post during the academic year. Due to construction projects during each academic year, some parking areas may not be fully available. The Institute discourages the operation and possession of motor vehicles on Post unless absolutely necessary.

3. **Vehicle Registration**

A. The VMI Police will issue a parking decal for all registered vehicles.

1. All Cadets (designated First Classmen and drilling reservists of other classes) authorized to maintain a motor vehicle on Post and at Lacky Parking lot must register with the VMI Police. All Cadets authorized to maintain a motor vehicle will pay a required registration fee per academic year and park the motor vehicle in designated parking areas. All authorized Cadet motor vehicles will display only the current year parking decal and a hang tag issued through the Commandant's Office that authorizes parking in designated permanent Cadet parking spaces on Post and in the remote parking areas. The Commandant's Office will establish protocols for the issuance and governance of hang tags for Cadet motor vehicles which are to be operated and/or possessed in the City of Lexington, Rockbridge County, or on Post.
 - i. The Vehicle Registration Form is available on-line in Post View under First Class Parking.
 - ii. Vehicle registration forms must be submitted to the VMI Police electronically.
 - iii. Payment of the registration fee will only be accepted electronically in Post View.
 - iv. Once the form is completed and the registration fee is paid, Post Police will mail the vehicle parking decal to the Cadet's VMI Post Office box.

- v. Upon receipt of the parking decal the Commandant's Office designated Cadet in Charge of Cadet Parking will assign a parking lot and issue an appropriate hang tag for all authorized Cadet motor vehicles.
 - vi. Cadet motor vehicle registration will be effective for the academic year, until the vehicle is sold, or when the Cadet leaves the Institute. Parking decals are to be displayed in the lower left hand corner of the rear window, where possible.
- B. All employees, contractors, and vendors operating vehicles on Post on a frequent basis must register those vehicles with the VMI Police.
- 1. Vehicle registration forms must be submitted to the VMI Police. The VMI Police will issue a parking decal for all registered vehicles. The Parking Registration Form is available online at <http://www.vmi.edu/media/content-assets/documents/police/parking-registration-form.pdf> VMI employee vehicle registration will remain valid until the parking decal color changes due to administrative needs, the vehicle is sold, or the VMI employee leaves the Institute. Parking decals are to be displayed in the lower left hand corner of the rear window, where possible.
- C. If a motor vehicle is replaced or if a new license number is obtained, Cadets and employees are required to notify the Post Police within ten business days of the change; violations will be determined and handled in accordance with rules involving unregistered vehicles. Cadet vehicles are subject to Section 3(D), below. Motor vehicles operated by individuals other than Cadets that have been properly registered and provided with the appropriate identifying parking decal are permitted in designated VMI parking areas during the hours of 8:00 a.m. to 5:00 p.m., Monday through Friday.
- D. There is no guarantee of the availability of parking spaces in the designated areas. A registration fee purchases a privilege only, not a right to a space. Parking in all areas is on a first-come, first-served basis.

- C. The person under whose name a vehicle is registered is responsible for parking violations involving such vehicle, even though another person may have been operating the vehicle at the time of the violation.

Violators of these regulations will be subject to having their vehicles towed, with the costs of towing paid by the violators.
