

VIRGINIA MILITARY INSTITUTE
Lexington, Virginia

GENERAL ORDER)
NUMBER 40)

20 February 2023

HOUSING POLICY REGULATION

The following policy will govern the occupancy of VMI quarters. It applies to all full-time VMI employees who are either teaching and research (T&R), Administrative and Professional (A&P) Faculty (hereafter referred to as faculty), Staff, or official guests of the Institute. Others affiliated with VMI are authorized to stay in quarters if available. T&R Faculty have priority for housing on Post. The Director of Facilities Management is designated as the Housing Officer.

1. PURPOSE

Post Housing is provided to faculty, staff, and guests of the Institute for the following purposes:

- A. To provide for the recruitment of faculty and staff members relocating to the Lexington area;
- B. To serve the purposes of the Institute in having certain faculty and staff assigned by the Superintendent to designated quarters; and
- C. To provide comfortable and attractive temporary accommodations for official visitors to the Institute.

2. CATEGORIES OF QUARTERS

- A. Superintendent's Quarters – Assigned by the Board of Visitors as a condition of employment.
 - 412 VMI Parade
- B. Designated Quarters – The Superintendent may require that certain members of the staff and faculty reside on Post. The requirement to live on Post carries with it the responsibility to be on call in quarters after regular duty hours and to be available in the event of emergencies. Faculty assigned to quarters by the Superintendent may be called upon to participate in special events and act as hosts or hostesses for entertainment of official guests of the Institute. The Superintendent will determine the length of occupancy in quarters.
 - 306 Letcher Avenue
 - 404, 406, 408, 410, 416 VMI Parade
 - 450 Stono Lane
 - 501 and 503 Brooke Lane

- C. Visitors Quarters – These quarters are reserved for use by visiting scholars and distinguished guests of the Institute. All assignments to the following quarters are made by the Office of the Deputy Superintendent for Academics and Dean of the Faculty.
- 304 North Main Street, Apt B
 - 306 North Main Street, Apt C
 - Turman House Apartment
 - Turman Gate House
- D. VIP Quarters – The main building of the Turman House and 402 Parade Avenue are designed to be used for short stays by distinguished visitors. The Protocol Officer will make all assignments to these quarters.

Faculty Quarters – The remaining quarters will be reserved for new appointments to the faculty or to house faculty required to live on Post. New faculty members are eligible for assignment to these quarters from the date they sign their first employment contract until 30 June of the following year. Occupancy will be for no longer than one year.

- 304 North Main Street, Apt A
- 306 North Main Street, Apt B
- 302, 304, 306, and 308 Anderson Drive
- 268 Sky Farm Lane

From 1 August to 1 June annually, T&R faculty will have priority assignment to Faculty Quarters. Assignment of T&R faculty to Faculty Quarters will be made by the Dean's Office. Quarters unassigned to T&R faculty by 1 June will be made available to other faculty and staff. Assignment of A&P faculty and staff to Faculty Quarters will be made by the Director of Facilities Management.

Vacancy assignments are made in accordance with the Statement of Purpose for this policy. The number of dependent family members and seniority (defined by the date of acceptance of an employment contract) will be primary considerations for precedence in assignments. Assignments are terminated upon completion of the authorized time periods as stated above. If a faculty member's employment terminates prior to completion of the above authorized time periods, the quarters must be vacated within 30 days of the termination date. In mitigating circumstances, an extension may be granted by the Director of Facilities Management at his/her sole discretion.

3. EXCEPTIONS

It is the policy of the Institute that assignment of quarters is limited to the periods outlined in this policy. In extraordinary circumstances, on the recommendation of the Director of Facilities Management, the Deputy Superintendent for Finance, Administration and Support may make assignments or approve extensions to remain in VMI Quarters in the best interest of the Institute.

The time a faculty member is on a leave of absence or temporary assignment counts as if the individual were present for purposes of determining how long the individual has occupied quarters.

- A. The family of a faculty member on official leave of absence will be allowed to continue occupancy of assigned quarters during the period of absence.
- B. If the faculty member on leave of absence does not return at the end of the specified period, the assignment is terminated, and the quarters will be advertised or assigned pursuant to these regulations.
- C. Renting or otherwise subletting, or in any way allowing use of VMI quarters or grounds for personal financial gain, is prohibited.

4. TENANT RESPONSIBILITY

Tenants are responsible for any Institute property assigned to them. The cost for repair or replacement of such property that is willfully damaged or destroyed through carelessness or neglect will be the responsibility of the tenant. Improvements to quarters or items requiring permanent installation purchased by the tenant, including trees or shrubbery, become property of the Institute. Failure to report, in writing, any serious damage, disrepair, or physical hazards will constitute neglect, and the tenant may be held liable for claims. A security deposit is required for all quarters assigned as a condition of employment. The deposit will be paid when the rental agreement is signed. The following security deposit structure applies:

Apartments - \$250
Residences - \$500

A pet deposit (if applicable) in the amount of \$250 will be paid in addition to the security deposit.

Any exceptions to the security deposit policy must be approved by the Deputy Superintendent for Finance, Administration and Support.

- A. Tenants are expected to exercise economy in the use of utilities supplied by the Institute. The Institute reserves the right to take any emergency measure, or other actions, necessary for the conservation of electricity, heating energy, and water.
- B. The Commonwealth of Virginia is self-insured and provides fire, extended coverage, and comprehensive general liability insurance on Institute residential property. This coverage does not extend to contents, personal property of tenants or to liability claims against any persons occupying quarters. All quarters occupants are encouraged to purchase renter's insurance.
- C. A tenant moving out of Institute quarters shall give the Director of Facilities Management a minimum of 30 days' notice of intent to vacate the premises. Quarters must be left in a clean and orderly condition suitable for occupancy by the next member to whom the quarters are assigned. Any quarters not left in such condition will be cleaned at the expense of the outgoing tenant. Within 24 hours of vacating quarters, the outgoing tenant must have the quarters inspected by a Physical Plant representative in order to obtain

clearance for those quarters. All keys to quarters will be returned to the Physical Plant representative by the outgoing tenant at the time of inspection. Rental charges will continue until the Comptroller's Office is notified by the Director of Facilities Management of the date of final clearance. The appropriate amount of the security deposit will be returned when the quarters are cleared satisfactorily.

- D. Pets must be always under occupants' control and not allowed to roam freely. Pet owners are expected to clean up after their animals. Exotic and/or dangerous pets are not authorized in quarters.
- E. Any additions or alterations such as, but not limited to, enclosing porches, constructing yard sheds, or installing fences to quarters by the occupant must be approved in writing by the Post Engineer.
- F. Installation of privately-owned air-conditioning units must be approved by the Post Engineer. Window air conditioners will not be allowed to detract from the appearance of the quarters.
- G. Satellite dish antennas are not allowed to be mounted on Post housing. Approval for satellite dish installation must be obtained in writing by the Director of Facilities Management in advance.

5. MAINTENANCE AND INSPECTION

- A. The Institute reserves the right for authorized personnel to visit and inspect quarters whenever necessary for repairs or alterations. Whenever possible, 24 hours' notice will be provided to the tenants. Persons authorized to occupy quarters shall also be admitted by appointment to view the quarters prior to rental.
- B. VMI will repair and maintain the exterior of houses and any appliances/equipment provided with the house. Appliances will vary from house to house and a list of what will be included will be provided to renters before they commit to a lease. All requests for repairs or maintenance of quarters should be directed to Physical Plant Customer Service, 540-464-7357, physicalplanthelp@vmi.edu, M-F 0730-1600 hrs. If you experience an emergency after hours, please contact the above Customer Service telephone number and follow the provided instructions.

6. RENTAL SCHEDULE

- A. It is the policy of the Commonwealth of Virginia that the Institute recovers in rental charges all ordinary and necessary maintenance and operation costs relating to faculty and staff quarters. Rental charges for Post housing will be the fair market value (as determined by an independent bi-annual survey). The Deputy Superintendent for Finance, Administration and Support will present the recommended changes for rental increases or decreases as appropriate to the Superintendent for approval.
- B. The rental rates are a flat charge, which covers house rent, utility services, routine maintenance and repair, trash disposal, and grounds care. Cost for telephone, Internet, and television cable services including maintenance and inside cable plant connections are the responsibility of the tenant.
- C. If the annual rental charges are less than the appraised fair market rental value of the property, as determined by an independently contracted qualified appraiser, then the

Internal Revenue Service requires that the difference be reported as taxable income to the tenant unless the tenant is required to live in Post housing as a condition of their employment.

- D. Capital improvements or other alterations will be made subject to availability of funds. Any such improvements are subject to approval by the Deputy Superintendent for Finance, Administration and Support on recommendation of the Post Engineer.
