RE: Death of Col. Samuel V. Fulkerson

1862 Sept 2

{postmarked Culpeper C.H.}

Sept 2d 1862

Mr. F.M. Fulkerson

Sir-

In reply to your letter of the 7th ult. permit me to say that Col. S.V. Fulkerson was an officer of distinguished worth. I deeply felt his death. He rendered valuable service to his country, and had he lived, would probably have been recommended by me before this time for a brigadier generalcy. So far as my knowledge extends, he enjoyed the confidence of his regiment and all who knew him.

I am Sir your obdt. servt

T.J. Jackson
