FRAGMENTARY ORDER (FRAGO) #3 (Thanksgiving Furlough & Terminus of the Fall 2020 Semester) to OPLAN AY 2020-21 #1 (Fall 2020 Return to Post & In-Person Classes)

1. **Situation.** No change.

2. **Mission.** No change.

3. **Execution.** This FRAGO addresses changes to the Base Operations Plan (OPLAN) with respect to how the Institute will end its fall semester and when cadets will be released for the winter furlough. VMI will end in-person instruction after completion of academic duty on 20 November and transition the entire academic program to an online format for the remainder of the fall semester.

   a. **Commander’s Intent.** The VMI Community in general and the Corps of Cadets specifically, have shown great resilience and perseverance throughout a semester unlike any other in recent memory. As we approach the Thanksgiving holiday, we have assessed the health of the Corps, current local and regional trends related to COVID-19, and best practices in higher education. We have determined that rather than have the Corps come and go from post over the holiday, thereby further exposing cadets and families to additional virus, and to limit the effect of the confluence of the pandemic and cold and flu season with academic instruction, we will move to an online environment beginning on Monday, Nov. 23, 2020. The Corps of Cadets will be furloughed from post in a phased approach beginning on Friday, Nov. 20, 2020.

   b. **Concept of Operations.** VMI will conduct a phased release of the Corps of Cadets on 20-21 November for Thanksgiving furlough. Cadets in isolation or quarantine during this period may remain at VMI, in compliance with CDC recommendations, until their designated period of isolation or quarantine has ended. Cadets are reminded that most means of public transportation will not admit persons with COVID symptoms.

   The classes currently scheduled for 23-25 November will occur, just in an online format. The remainder of the semester remains as currently scheduled with the execution being conducted wholly online vice the multiple and combined modalities used while the Corps was in residence at VMI.

   1) **Phased Departure:**
      a) 20 Nov: First Classmen, Fifth Year Men, Rats and those cadets who are ride sharing with anyone in this group may depart after completion of academic duty.
      b) 21 Nov: all remaining Third Classmen may depart immediately following BRC and should depart the Post prior to 1300.
      c) 21 Nov: following Ring Presentation all Second Classmen are authorized to leave and should depart Post prior to 1800.
d) There is flexibility built into this plan so that cadets sharing rides or with confirmed flight times can depart during a time other than their own. These must be coordinated in advance with their Company Tactical Officer.

e) See Appendix 1 (Furlough Cadet Clearance Instructions) for detailed instructions on the following topics:
   (1) Uniform, Equipment, and Weapons Turn-in;
   (2) Room Clearance;
   (3) Miscellaneous Close-out Requirements;
   (4) Discipline/Restrictions;
   (5) Resigning and Study Abroad Requirements;
   (6) Graduating Cadet Requirements; and
   (7) Request form to complete the semester in barracks.

2) **Barracks Availability:** Cadets with compelling reasons may request to remain in barracks during this period. Requests must be submitted to Col Faust at faustkl@vmi.edu no later than 0700hrs, 2 November.

To reduce the number of support personnel required, VMI will adopt a “summer session” posture in barracks. In other words, cadets remaining in barracks may wear civilian attire; will not be required to attend formations, and while the rooms must be properly maintained and cleaned, cadets will not be required to “put up” their hay on a daily basis. All other guidelines for living in barracks during this period are included in Appendix 2 (Instructions for Cadets Remaining in Barracks 21 Nov – 19 Dec).

All cadets authorized to complete the semester in barracks must depart VMI upon the completion of their final exam. Barracks will be secured (closed) following normal furlough SOP after 19 December. Acceptable reasons to remain at VMI following the Corps’ departure in November include:

a) A cadet’s home internet is not sufficient to support online classes and there are no reasonable public internet options.

b) There are extenuating circumstances that precludes the cadet from returning home.

c) The cadet’s family resides overseas and no other housing options are available.

d) The cadet can demonstrate a legitimate academic need to return to the Institute.

e) The application to complete the fall semester at VMI was emailed to the corps on 19 October. It is also available as Annex 1 at the end of this order.

f) Cadet is a member of an NCAA team authorized to stay in barracks.

3) **Schedule for the remainder of the fall semester.** Beginning on 23 Nov, all academic classes will transition to a wholly online (virtual) format. Faculty will ensure cadets are briefed on the plan for synchronous or asynchronous classes prior to departure. Faculty will also ensure appropriate arrangements for cadets’ who live overseas and are more than three time zones (i.e., further away than CA) from the East Coast of the United States.
23-25 Nov: classes as currently schedule but in a virtual format
25-29 Nov: Thanksgiving furlough (from CAD 25 Nov)
30 Nov – 11 Dec: complete fall semester classes
12 Dec: reading day
14-18 Dec: virtual exam period
18 Dec: Commissioning Ceremonies
19 Dec: Commencement Ceremony for both May 2020 and Dec 2020 graduates
19 Dec: Barracks clears and is closed (no cadets remain on Post)

4) **Phased return upon completion of the Winter Furlough.** The Corps of Cadets will conduct a phased return in January 2021. Details will be published in a separate FRAGO; however, cadets should expect a process very similar to the Fall 2020 return to Post. In other words, VMI will request cadets to self-quarantine at home for two weeks prior to returning to the Institute and avoid contact with known COVID positive individuals. Cadets will also be requested to utilize their LiveSafe App during that two-week period to give the Institute a sense of the health of the overall Corps upon return. Upon return, using a combination of EMT and Post Infirmary personnel, cadets will be medically assessed prior to entering the barracks. Anticipated return dates:

a) 13 Jan (NCAA athletes): Basketball, Wrestling, Football, M/W Track, Lacrosse, and Water Polo
b) 13 Jan: Early Return Guard Team and select cadet EMTs
c) 14 Jan (NCAA athletes): M Soccer
d) 17-18 Jan (Old Corps): Old Corps conducts a phased return in accordance with Commandant’s return order to be published at a later date
e) 19 Jan: Registration
f) 21 Jan: 1st day of classes

c. **Tasks.**

1) The Deputy Superintendent for Academics and Dean of the Faculty will oversee the conclusion of the Fall 2020 academic program. Ensure a smooth transition to a wholly online format beginning 23 Nov and ending with the last of the exams on 18 Dec.

2) The Deputy Superintendent for Finance, Administration, and Support will oversee the Fall 2020 logistical support plan as detailed in the ANNEX D (Administration and Logistics) to the VMI Fall 2020 Return to Post and In-Person Classes OPLAN and the sustainment and support section of this FRAGO.

3) The Commandant of Cadets will oversee the departure of the Corps of Cadet on 20-21 Nov. Detailed instructions are included at Appendix 1 (Furlough Cadet Clearance Instructions) of this FRAGO.

The Commandant also provides continued oversight of the conduct and decorum of those cadets remaining on Post during the period of 21 Nov – 19 Dec. Detailed instructions for those cadets are captured in the Instructions for Cadets Remaining in Barracks 21 Nov – 19 Dec and included at Appendix 2 of this FRAGO.
d. **Coordinating Instructions.**

1) Cadets are to take home all academic materials required to complete the semester in an online environment. All other instructions for clearing barracks are included in Appendix 1 (Furlough Cadet Clearance Instructions).

2) All COVID related mitigation measures currently in effect in barracks and on Post, remain in effect through the remainder of the Fall 2020 semester.

3) With the exception of NCAA study hall, cadets will not be able to access academic buildings during this time.

4) Cadets remaining on Post for the conclusion for the fall semester will be granted limited GP in accordance with Appendix 2 (Instructions for Cadets Remaining in Barracks 21 Nov – 19 Dec).

5) Cadets with poor internet connectivity at home may check out a hotspot to use while away from VMI. The hotspots may be requested at the following link. [https://vmiedu.sysaidit.com/servicePortal](https://vmiedu.sysaidit.com/servicePortal).
