ANNUAL REPORT TO THE

VIRGINIA GENERAL ASSEMBLY

OF THE

VIRGINIA MILITARY INSTITUTE

BOARD OF VISITORS

FOR 2022
**Executive Summary**

This report for calendar year 2022 constitutes the annual report for the Virginia Military Institute (VMI) Board of Visitors. It is submitted to the General Assembly, the Governor, and made publicly available on the VMI Board of Visitors website in accordance with § 23.1-1303 of the Code of Virginia. It provides an overview of board activities as is statutorily required. The VMI Board of Visitors is comprised of sixteen members nominated by the Governor of the Commonwealth, along with the Adjutant General of Virginia as an ex officio member.

During the year, the board considered and addressed a wide variety of topics to include continued COVID-19 pandemic management, fiscal and budgetary oversight and determinants (i.e., approval of the fiscal 2023 operating budget and tuition and fees establishment), commencement of an institute strategic plan update, generalized and specific enrollment challenges, diversity, equity, and inclusion matters, academic and athletic affairs, and personnel matters. With respect to academic outcomes, the Board approved 191 bachelor’s of science and 147 bachelor’s of arts degrees that were awarded to the VMI Class of 2022 in May. The Board’s diversity, equity and inclusion efforts continued to be supported by its Diversity, Equity, and Inclusion Committee (renamed the Inclusive Excellence Committee), Commemorations and Memorials Naming and Review Committee, and Recommendations Review Committee, collectively guided by the following objectives adopted by the Board 8 July 2021:

- To create and foster a more diverse VMI.
- To create and foster a safe, equitable and inclusive environment for all on Post.
- To assure that we maintain a safe, rigorous process for escalating issues which have the potential to violate the Code of a Cadet.

The Commemorations and Memorials Naming and Review Committee and the Recommendations Review Committee were ad hoc committees created in 2021 to review all symbology on post and to provide oversight of the Institute’s response to the recommendations from the Commonwealth’s review of VMI’s diversity, equity, and inclusion practices. Having substantially accomplished the objectives of their charters, these committees were retired in 2022. Responsibility for residual objectives and matters of continued focus was absorbed by pre-existing board committees.
Effective July 2022, regularly scheduled, full board meetings were live streamed via the internet to provide real-time public access in accordance with House Bill 2120. An archive of agendas and other supporting material for each board meeting, as well as email addresses (individual and collective) allowing board members to receive public communications pertaining to board business, were prominently maintained on the Board of Visitors website. Following each board meeting, detailed minutes were publicly posted on the board’s website at: https://www.vmi.edu/about/governance/board-of-visitors/past-meetings/ in accordance with Va. Code § 2.2-3707(H) and may be referenced for additional context beyond the scope of this report. All meetings were conducted pursuant to notice as required by Va. Code § 2.2-3707 (C). VMI’s legal counsel, from the Virginia Office of the Attorney General, attended Board meetings on invitation in accordance with Va. Code § 23.1-1303 (B).

By the authority vested in me by the VMI Board of Visitors, this Report is hereby tendered pursuant to § 23.1-1303 (B) of the Code of Virginia.

This coordination occurred during the November-March timeframe, with the Virginia Military Institute Alumni Agencies submitting nominations to the Secretary of the Commonwealth in accordance with Virginia Code.

5. **Committees**: During 2022, the VMI Board of Visitors structure contained between nine and eleven committees, each comprised of a chairperson and four to nine board members. The Commemorations and Memorials Naming and Review and Recommendations Review Committees were retired in 2022 as previously noted. All committees had assigned VMI staff liaisons and, at each of the established meetings, individual committee agendas were developed and meeting minutes were recorded. The standing board committees as of December 2022 are as follows:

- **Audit, Finance, and Planning**: financial, budgetary, and fiscal matters; Strategic Plan; Post Facilities Master Plan, SWaM Plan, Information Technology; and compensation topics.

- **Academic Affairs**: all academic matters; curricula changes; undergraduate research; international programs; career services; admissions; and accreditation.

- **Cadet/Military Affairs**: all cadet activities; barracks operations; Regimental and Class Systems; ROTC activities; commissioning; club and intramural sports; and cadet welfare activities.
Athletics: all matters involving VMI NCAA sports; review of academic progress reports; NCAA compliance matters; and NCAA certification.

External Relations: governmental relations; strategic communications and marketing; VMI Museum Program activities; and BOV Awards.

Executive: elected members of the board including the President, three Vice-Presidents, and one non-alumnus. In addition to the duties specific to VMI’s Executive Committee, the Executive Committee organizes the working processes of the Board, recommends best practices for Board governance, and coordinates the other responsibilities required by Va. Code § 23.1-1306.

Commemorations and Memorials Naming and Review: responsible for oversight of all policies and practices related to the naming of buildings and places on Post as well as the existence of statues, commemorations, and memorials on Post [committee was dissolved due to substantial charter accomplishment in April 2022].

6. Committee Activities: Committees are comprised of specific members to maximize requisite experience and expertise in the corresponding areas of responsibility, as well as overlapping tenures to ensure adequate continuity. The Audit, Finance, and Planning Committee, for example, reviews all fiscal matters, to include the annual operating budget and annual audited financial statements, and presents these matters to the full board. This particular committee membership includes individual acumen in financial and business-related matters.

In accordance with standard procedures, the board was provided reports, proposals, and other documentation a week or more in advance of the meeting to facilitate preparatory review and understanding. Committee chairs collaborated with their assigned staff liaisons throughout the year to ensure topical awareness and that necessary matters were presented for board action. The majority of 2022 board resolutions were reviewed extensively by a particular committee and briefed to the full board prior to a vote being taken.
7. **Conclusion:** As previously noted, further detail of VMI Board of Visitors actions and activities is available within the minutes and materials archives of the respective meetings on the Board of Visitor section of the VMI website, and via reference through the Commonwealth’s Calendar.
