

VIRGINIA MILITARY INSTITUTE

SUPERINTENDENT SEARCH COMMITTEE 2020-21

Samuel N. Stocks '90

President, Virginia Military Institute Alumni Association

Sam holds a Bachelor's Degree in Civil Engineering from Virginia Military Institute, and a Masters in Civil Engineering from University of Hawaii. He is a registered professional engineer.

Stocks' responsibilities as vice president of operations at KBS include overseeing KBS's project management and field supervisory staff. He coordinates all KBS field and office activities related to projects and allocates project staff.

A former Naval Officer and Seabee, Sam has lived in Hawaii, California, Georgia, Haiti and Japan. He enjoys jogging, golfing and exploring the great outdoors with his family.
