The visual identity program provides guidelines for presenting Virginia Military Institute in a cohesive way to all audiences, internal and external.

The guidelines consist of an integrated system of graphic elements, including:

- Logo, lettermark, crest and seal
- Color palette
- Fonts

Consistent use of these elements will reinforce our visual identity, presenting VMI’s communications in a unified manner across the Institute.

Applications of these elements include official stationery, admissions publications, digital media presentations, the Institute website, and licensed merchandise.

The guidelines exist to assist communicators in the consistent, integrated, effective use of the Institute’s brand across all media, print and electronic.

Offices of VMI are covered by the Institute Identity Standards Policy, General Order No. 42.

No entity, internal or external to VMI, may use or alter marks, brands, or logos unless given specific authorization.

Exceptions to standards enumerated in this manual will be considered on a case-by-case basis and are not approved unless specifically stated when authorization is given.

The Institute reserves the right to reject delivery of materials containing unauthorized or incorrect use of the enclosed guidelines.

“VMI” is also acceptable on first reference in print publications bearing headers that contain the name “Virginia Military Institute.” After first reference, “VMI” and “the Institute” are acceptable in all instances. “VMI” should not contain periods between the letters.

Description

Founded in 1839, Virginia Military Institute is the nation’s oldest state-supported military college. Consistently ranked among the top public liberal arts colleges in the nation by both U.S. News and World Report and Money magazine, VMI offers bachelor of arts and bachelor of science degrees in 14 majors. It is the mission of VMI to prepare honorable and dedicated leaders ready for the challenges of 21st-century citizenship.
The Coat of Arms and Official Seal

Alterations to the seal and crest are not permitted. The seal and crest are reserved for formal use approved by the VMI Office of Communications and Marketing.

Coat of Arms

The VMI coat of arms was designed and authorized by the U.S. Army’s Institute of Heraldry in 1961-1962. It bears the phrase Consilio et Animis – By Wisdom and Courage.

VMI’s association with the Commonwealth of Virginia is seen in the foundation of the coat of arms. The red cross on a silver field is taken from the arms of colonial Virginia.

The upright sword of the shield symbolized the military training mission of Virginia Military Institute, and the lamp in its predominant position represents the academic and principal mission of the college.

The black canton with its broken gold chevron commemorates the charge of the cadet battalion on May 15, 1864 at the Battle of New Market.

The winged sword and garland (PMS 348C) depict the position of Virginia Military Institute in leadership during peace and war.

Colors: red: (PMS 187C), white, and yellow (PMS 116C).
Virginia Military Institute Seal

The image on the VMI seal is the same as that on the obverse of the seal of Virginia. It features the Roman goddess Virtus standing over a defeated opponent. She represents the virtues of heroism, righteousness, freedom, and valor and stands in a classic victor's pose over a fallen tyrannical foe, whose crown lies on the ground.

Where the seal of Virginia bears the words Sic Semper Tyrannis (Thus Always to Tyrants), the VMI seal has the inscription Virginiae Fidem Praesto (Faithful to Virginia). This expression was often referred to as VMI's motto during the period 1841-1875; however, it was never officially adopted as such.

The seal is used in official documents and when specifically authorized for other uses.
