Preface

The purpose of the New Cadet Handbook is to provide information necessary for the transition from civilian life to life as a new cadet at Virginia Military Institute. It is intended to present information not found in other VMI publications, such as the VMI Catalogue, which is provided to cadets at matriculation. If you have detailed questions on academic programs and academic support, tuition and financial aid, or the Reserve Officer Training Corps, please refer to the VMI Catalogue. If you have questions regarding National Collegiate Athletic Association sports, contact the Director of Intercollegiate Athletics at 540-464-7527. Information is also available at vmi.edu.

The three major components to life at VMI are academics, military, and athletics. This handbook focuses on the Corps of Cadets military component and, specifically, the Rat Line. It is important that you fully understand all aspects of the Corps of Cadets so that you can prepare yourself for success. New cadets at VMI embark on a road less traveled. Use this handbook to plan your journey. Good luck!
Foremost, I wish to congratulate you on your appointment and commend you on your decision to attend the Virginia Military Institute. By accepting this appointment, you have already made a deliberate effort to set yourself apart from your peers. This decision alone speaks multitudes about your maturity and speaks volumes to your character.

Furthermore, this tells me that you seek something more than an ordinary college experience. I may not know your individual reasons for deciding to attend VMI, however I believe it is safe to assume that you wish to better yourself in some way. I sincerely respect this, and I guarantee that you will face choices that others might call impossibly difficult, face hardships others might label insurmountable, and be held to a standard others might refer to as unreachable. The people who you walk into barracks alongside in August will be your greatest support system and only by forging a bond with your fellow classmates can you be successful.

As you might be aware, you and all of your future classmates have accomplished many things in your high school careers and even before. Yet as soon as you step foot in barracks, your old achievements cease to be relevant. The training you will receive does not discriminate, and it is in this adversity that you and your fellow classmates find your footing as equals. You have a clean slate in front of you, but it is your story to write. Your reputation will be defined by your willpower, integrity, and commitment to getting things done the right way.

The actions you take will define your success here. It is when you feel this pressure that you must remember that for 180 years before you, cadets have been faced with the same challenges and have prevailed. It means something to be from here because VMI graduates have proven their resolve in the face of near constant adversity. As they have demonstrated, though arduous, this process is not impossible. You will find success by embracing the process, and letting go of your doubts to drive on in a test of your perseverance.

Your reward is a transformation that will set you up for success not just at VMI but throughout your life. The privilege to call yourself a VMI cadet must be earned, but you will see in time that nothing else will mean more to you than that title—because it was not simply given.

Hold fast to the reasons why you chose VMI, and never let yourself forget them. I will never expect anything but the absolute best from each and every one of you.

Very Respectfully,
Cadet First Captain Austin W. Stansberry
Regimental Commander
The Mission of Virginia Military Institute

Virginia Military Institute, founded in 1839 and now in its 178th year, has remained true to its mission to produce educated and honorable men and women by preparing them with an education for the future. VMI combines the studies of a full college curriculum within a framework of military discipline, with emphasis placed on the qualities of honor, integrity, and responsibility. VMI is a state-supported college, organized under the laws of the Commonwealth of Virginia. The Institute is governed by a Board of Visitors appointed by the governor. In accordance with the provisions of the Code of Virginia, the cadets constitute a military corps. Most of the members of the faculty and staff are commissioned in the Virginia Militia (Unorganized) by the governor acting as commander-in-chief.

We at VMI believe that the measure of a college lies in the quality and performance of its graduates and their contributions to society. Therefore, it is the mission of VMI to produce educated and honorable men and women, prepared for the varied work of civil life, imbued with love of learning, confident in the functions and attitudes of leadership, possessing a high sense of public service, advocates of the American democracy and free enterprise system, and ready as citizen-soldiers to defend their country in time of national peril.

To accomplish this result, VMI seeks to provide qualified young men and women an undergraduate education of the highest quality, that embraces engineering, science, and the arts, all conducted in, and facilitated by, the unique VMI system of military discipline.

Vision 2039

In 2003 VMI began a journey that will culminate in the year 2039, VMI’s 200th birthday. This journey involves physical change in the form of renovation and new construction. It also involves cultural changes—a move toward more civility within the Corps of Cadets and across the VMI Post.

Academic Program

A four-year undergraduate college, VMI is recognized as one of the nation’s top institutions of higher education. Acknowledging VMI’s total educational value as well as the high demand for VMI graduates in the job market, major ratings publications name VMI in their lists of top undergraduate programs. U.S. News and World Report consistently ranks VMI among the nation’s top five public liberal arts colleges.

Ninety-five percent of the full-time faculty members hold a doctoral degree. Over 1,700 cadets pursue B.A. or B.S. degrees in 14 major fields of study: Biology; Chemistry; Civil Engineering; Computer and Information Sciences; Economics and Business; Electrical and Computer Engineering; English, Rhetoric and Humanistic Studies; History; International studies and Political Science; Applied Mathematics; Mechanical Engineering; Modern Languages and Cultures; Physics; and Psychology.

Civil engineering, a subject rarely taught in colleges and universities before 1839, was the cornerstone program at VMI’s founding. The first industrial chemistry course in the South was offered at VMI, and, in 1868, modern courses in physics and meteorology were developed by
Commodore Matthew Fontaine Maury. Today the Institute’s engineering program remains nationally recognized for its quality. In fact, in its most recent rankings, U.S. News & World Report again ranked VMI engineering among the nation’s best undergraduate programs.

VMI’s demanding academic program reflects the established needs and the emerging trends of a constantly changing society on the local, regional, national, and international levels. VMI’s global outreach includes student/faculty exchanges with a number of foreign academies and universities, internships, numerous semester-abroad programs, and summer-abroad programs. Each year, more than 100 cadets are involved in VMI’s international programs. VMI also offers outstanding academic enrichment programs in writing, undergraduate research, and honors.

Successful completion of VMI’s unique educational system enables cadets to enter many civilian professions, the armed forces, or to continue at graduate and professional schools. VMI produces leaders for all walks of life: business, industry, public service, education, the professions, and the military. One reason the Institute is held in such high regard is that approximately 98 percent of each class has full-time employment or has entered graduate school within five months of graduation. Approximately 50-60 percent of graduates take a commission, and about 18 percent of VMI graduates make the armed forces a career; however, the percentage of cadets who take commissions per class is growing every year.

**Athletic Program—NCAA and Club Sports**

VMI believes that all cadets are athletes and all athletes are cadets. Athletics at VMI form an integral part of the mission to develop the whole person. VMI’s proud intercollegiate athletic history dates back to 1866 with the formation of a baseball team. In 1892, Cadet Walter H. Taylor served as captain and coach of the first football team.

VMI fields 18 teams on the NCAA Division I level: baseball, basketball, men’s and women’s cross-country, football, lacrosse, men’s and women’s rifle, men’s and women’s soccer, men’s and women’s swimming, men’s and women’s indoor track & field, men’s and women’s outdoor track & field, women’s water polo and wrestling.

VMI also boasts a thriving club sports program. While the sports vary from year to year based on the interests of the cadets, the standard sports include lacrosse, boxing, rugby, ice hockey, basketball, running, trap and skeet, triathlon, powerlifting, equestrian, and wrestling. New cadets may join a club sport in full member status after the Rat Line ends.

**Corps of Cadets Program**

The challenging military-based portion of the VMI program is a distinctive aspect of the VMI experience. All cadets are part of the Corps of Cadets and participate in officer training programs associated with Army, Navy (which also includes the Marine Corps), or Air Force ROTC. New cadets are called “rats” until they break out of the Rat Line in the spring semester and earn their cadet status.

Cadets live together in barracks, eat together in Crozet Hall, and wear the historic cadet uniforms. Cadets’ daily lives and conduct are regulated by the traditions and rules of the Institute and the Honor Code.
While bringing a trunk to VMI is allowed, they're highly discouraged due to limited storage space. Each cadet is allowed one piece of luggage. The dimensions of a large suitcase are between 28 and 32 inches long and approximately 19 inches wide and 12 inches deep. Smaller luggage pieces/stored belongings must fit inside the large piece of luggage because there isn't unlimited space in the trunk rooms located in the concourse area of the barracks. It is recommended that the luggage be lockable. Sensitive and expensive items should not be stored in the barracks trunk room. VMI is not responsible for damage, loss, or theft of personal property stored in the barracks trunk room, barracks cadet rooms, or other areas on Post. It is recommended that personal items be labeled with the cadet's name. If you are driving to VMI, consider bringing some of your items in a cardboard box that can be recycled or a plastic bin that can go back home after you are dropped off at VMI.

Use the following list to pack for VMI. Most items should be brought from home, but some items may be purchased at the VMI Bookstore (540-464-7637) or at the VMI Military Store (540-464-7303). Items bought at the VMI Military Store must be paid for with cash, check, or credit card. The bookstore accepts all major credit cards. The number of clothing items recommended is the minimum based on having to change clothes two or three times a day during the August heat. Laundry is sent out once a week so plan accordingly.

**Mandatory and Optional Items**

</table>
Rats of 2020+3,

All of you have already made a choice to do something more difficult than your most of your peers, a choice to do something that will challenge you mentally, physically, and emotionally. Because of that, I commend your decision to attend the Virginia Military Institute. However, just like this decision, you are about to enter a system that hinges on cadets making hard choices, a system that will force you to morph into a man or woman of character. Hard decisions lead to hardened people, and our school is founded on delivering leaders that have that type of character. This Institution will provide you with opportunities to develop yourself, but only through personal hard work and dedication will you be able to take advantage of them.

During the Rat Line, you will be given all of the tools that you need to succeed. But in the end, the Rat Line is an endeavor that cannot be done without continued personal dedication and perseverance. The Rat Line is fair to all, but it is more difficult for some than others. In order to achieve your goals and to excel in your first year, preparation is required on your part.

Your time during the course of your four years here will be filled with duties that take away from your personal time and academic time. It will pay dividends to arrive with proper study habits and also mentally prepared for the rigor of a college-level academic workload. One of the fastest tracks to failure here is the inability to academically keep up with the standards.

Another key component of a VMI cadet is their commitment to physical fitness. While preparing everything over the summer in order to enter the school, the most important thing you can prepare is your body. You will be pushed to your limits frequently, and the difference between those of you that are in shape and those that are not will become very apparent. Do not strive only to meet the bare minimums of our fitness test, the VFT, but push yourself to max it.

Do not squander the time you have before entering this Institute. Use it, and come as prepared as possible. I have prepared the best cadre team that this school has to offer in order to train you to the standard that has been set by those who have come before you. Do not forsake your goals, rise to the tasks that myself and others have set for you, and you will succeed.

Very Respectfully,
Cadet Captain Jack C. Taggart
Regimental Executive Officer
Matriculation Week

Matriculation Week Overview

After you say goodbye to your family and form up with your company for the first time, you will march into barracks to meet your cadre. Fourteen upper class cadets from each company known as cadre are responsible for the training new cadets undergo to become VMI cadets. Collectively you are known as a rat mass and the Class of 2019 plus 3. You will not earn the status of fourth class cadet, Class of 2022, until after Breakout.

Meeting your cadre will be the first in a long series of events designed to train and test you as you prepare for assuming the responsibilities of cadetship. During Matriculation Week, you will participate in numerous training activities, get your rat haircut, engage in daily physical fitness routines, learn about the history of VMI, and become familiar with the requirements of cadet life. You will also purchase textbooks, so ensure funds are available. Matriculation Week concludes with an event called the Rat Crucible.

Uniform Issue

Fitting and issuing of many uniform items is done during Matriculation Week. Some uniform items are issued in advance to students attending the Summer Transition Program. Identification of clothing is made by a laundry number assigned by the VMI Laundry Department. New cadet bags containing various supplies issued during the first week include a marking pen. New cadets are given time to mark all washable items they bring with them. These issued items are subject to change.
During the first several months at VMI, new cadets are called “rats,” the accepted term (since the 1850s) for a new cadet. You will be part of a tradition and encounter the challenges that VMI cadets who came before experienced—the Rat Line. The purpose of the Rat Line is to assemble a class imbued with honor, discipline, pride, and respect. The Rat Line is conducted in phases of development, employing supporting virtues such as cohesion, humility, physical fitness, knowledge, and self-reliance, while teaching self-control, self-discipline, time management, and followership as prerequisites for becoming a VMI cadet. Even those who matriculate with advanced academic standing or prior military service must go through the Rat Line. To achieve success, new cadets must depend on their mental and physical skills, and the help and support of classmates (brother rats). With persistence and determination, new cadets will get through the Rat Line. It is through the rigors of the Rat Line that the bonds of brother rat spirit are forged.

The Dyke System

A new cadet’s greatest ally during and after the Rat Line is his or her 1st Class mentor, known as a dyke. The phrase originated in the 19th-century mispronunciation of the term “to get decked out,” or to dress up in one’s finery, as it takes two cadets to “dyke out” (put on the white cross belts) for the dress uniform worn at parades. In exchange for certain tasks performed by the new cadet, the dyke offers good advice, moral support, and a haven on the first stoop (“floor”) of barracks. New cadets learn that the dyke, as a mentor, will not allow avoidance of duties, but will help them through the rat year. Normally, the upper-class cadet initiates the contact with a new cadet for a possible dyke relationship. This contact may be based on common background, sports team, or shared hometown with the new cadet, or it may be facilitated by a member of the faculty, staff, or a coach. New cadets are closely monitored to ensure they receive a dyke.
A Typical Rat’s Day

Initially, new cadets are awakened by their cadre. After classes begin, they learn to wake up in time to get properly dressed, roll up their “hay” (mattress) and complete chores in their dykes’ rooms before Breakfast Roll Call (BRC).

At BRC and all other formations, squad corporals (3rd Class cadets) inspect new cadets for personal appearance. They then march down to Crozet Hall for breakfast. After breakfast, classes begin at 0830. All Cadets must be on time and prepared for class.

After Supper Roll Call (SRC) and the following dinner, cadets must be in an approved study area such as barracks, the library, or an academic building. The end of the duty day is signified by Taps (lights out) at 2330 Sunday through Thursday. Saturdays are filled with various activities including military duty and academic meetings. On Sunday mornings, cadets are offered the opportunity to attend services at one of the local churches. On Sunday evenings, VMI’s full-time chaplains hold a non-denominational service in Jackson Memorial Hall.

New Cadet Oath Ceremony

The New Cadet Oath Ceremony will be held on 2 September 2018 at approximately 1100 at the New Market Battlefield State Historical Park in New Market, Virginia. The Battle of New Market marks the only occasion in the history of the nation where an entire student body—the Corps of Cadets—fought in armed conflict. After taking a tour and reciting the Cadet Oath, the new cadets will charge up the hill in the footsteps of the cadets who fought at New Market on 15 May, 1864. The sense of honor and pride in the past becomes a part of the VMI experience for each cadet, and establishes bonds among the new cadets.

Parents are encouraged to attend the New Cadet Oath Ceremony, but are asked to observe from a designated point at a distance from the actual site. Parents may visit with their sons and daughters during lunch for an hour following the charge across the “Field of Lost Shoes.” Boxed lunches may be purchased on matriculation day for the lunch at New Market or you may bring a picnic lunch to the ceremony. Following lunch, the new cadets are bused into the town of New Market for a parade down Main Street. Please check the VMI website for the most recent information.
Rats of 2020+3,

Congratulations, you have chosen to embark on a difficult journey that few college freshmen in this country have the tenacity to endure. This journey will be difficult, but you will learn valuable lessons in discipline, camaraderie, and most importantly, honor. In our society today, there is a lack of honesty, integrity, and moral fortitude. These shortcomings in moral character are neither a part of the VMI culture, nor of a VMI cadet. Cadets live by a strict and enduring code, which states: **A Cadet will not lie, cheat, steal, nor tolerate those who do.** This simple statement has persevered through all generations of cadets and is the reason why VMI graduates are held in such high regard.

From this moment on, you have the same degree of ownership and responsibility of upholding our Code as I do. Undoubtedly, you will face a situation where personal gain may be achieved by violating the Honor Code. When that moment arrives, you must hold strong to your integrity and not succumb to this temptation. The Code allows us to take exams without the presence of an instructor, leave our doors unlocked, and enables cadets to take another cadet’s word as their bond. This is the system that lays the foundation for the entire VMI way of life.

The Honor Code should guide your every action during your time not only at VMI, but in every facet of your life. Our system is meant to serve as your ethical foundation to a life centered on integrity and honesty. Our society is in desperate need of men and women who possess such character traits and have the moral courage to bring about change in those around them. I challenge you to accept this undertaking. The Institute, our alumni, family, and friends will accept nothing less than a wholehearted devotion to our cause.

Be proud of yourselves for choosing this path, but do not by any means underestimate what lies ahead. I wish you luck in your journey and trust that you will always uphold our sacred Code.

Honor is a lifestyle.

Cadet Skylar Birdie
Honor Court President
The VMI Honor System

On arrival at VMI, new cadets and parents will realize that it is indeed a unique place with a culture and a life all its own. The life of a VMI cadet is one of self-denial, self-control, and strict discipline. Nevertheless, as generations of cadets have discovered, it is possible not only to survive, but to thrive within these stone walls. Aiding and guiding cadets are several systems at the Institute that regulate and advocate for cadets.

The VMI educational system provides cadets with a constantly changing set of academic, military, physical, and psychological challenges. These diverse challenges are designed to provide each cadet with the opportunity to develop life skills that will contribute to his/her success regardless of endeavor. Paramount among those skills and the common thread that ties all aspects of the VMI experience together is honor. Above all else, cadets are men and women of honor and integrity who can always be trusted. They live by the VMI Honor Code, which simply states “A Cadet will not lie, cheat, steal, nor tolerate those who do.” The Code pervades all aspects of a cadet’s life. A cadet’s honor is his/her most guarded possession. The education of new cadets about the Honor System is the responsibility of the Honor Court. The Honor Court is comprised of fourteen 1st and 2nd Class cadets elected by their classmates. In addition to education, the Honor Court is also responsible for
Rat Mass of 2020+3

I would like to begin by congratulating each of you on your appointment to VMI. Your decision to accept the challenge that our school poses is commendable, and I am beyond excited to help you along your journey and watch you become part of our system. This unique environment takes a bit of time to get used to, but if you are willing to dive in headfirst and take advantage of every opportunity, you will undoubtedly succeed.

I would like to share some advice that will hopefully stick with you and serve as the building blocks of your Rat Mass, carrying on the attitudes that my Brother Rats and I have adopted. You all are coming into this place with a wide scope of abilities and preparation. We will have someone who maxes every fitness test during the Ratline, another who gets a 4.0 as a Mechanical Engineering major, or maybe even someone who does both. However, no matter how individually capable you are, VMI will find a way to push you to your limits. This holds true from the time you show up on Matriculation Day to the day you receive your diploma. My advice to you is in order to overcome the countless oncoming challenges, you must rely on your Brother Rats and unhesitantly offer the same support back to them. You will soon learn that the comfy beds and plush commodities are not what makes this place special... it is the unparalleled relationships with some of the most genuine and committed people you will ever encounter.

2020+3, it is a true privilege to have the opportunity to join you on this ride set to begin in August. Until then, run hard, eat well, spend time with you family, and get ready to live out the best decision you’ve ever made.

Graciously Yours,
Sam Trepp
General Committee President
adjudicating reported violations of the Honor Code. The VMI Honor System is unique in that it is a single-sanction system. The system does not recognize degrees of honor. The sanction for any breach of honor is dismissal. So, when new cadets sign the book on matriculation day, they are committing themselves to a life of honesty and integrity. If their commitment is not complete, their stay at the Institute may be short.

The Class System

At VMI, rights and privileges as well as responsibilities depend on class. There are four classes: rats (who eventually become 4th Class cadets [freshmen] after breakout), 3rd Class cadets (sophomores), 2nd Class cadets (juniors) and 1st Class cadets (seniors). There are also some fifth-year cadets who require additional time to complete their degree requirements, or remain for a 9th semester to participate in athletics resulting from a redshirt year or injury.

New cadets enjoy only one privilege: to strain. First class cadets, however, having completed three years at the Institute, enjoy many privileges, including the use of any arch to enter and exit barracks and operating a vehicle in Rockbridge County.

The class system is upheld by the General Committee, which is a board of cadets voted into office by each class and oversees the student government of VMI. Each class has a president, a vice president, and a historian, who are elected for life. The new 4th Class will elect its officers after spring furlough.

Regimental System

The regimental system should not be confused with ROTC. The regimental system administers the military component of the Corps of Cadets. Consisting of two battalions composed of five companies each (nine line companies and a Regimental Band), this system is, after the Honor Code, the most enduring aspect of VMI. The regimental structure of the Corps of Cadets parallels that of a regular infantry regiment. Cadets are grouped into squads led by corporals (selected 3rd Class cadets); squads into platoons led by sergeants (selected 2nd Class cadets) and lieutenants (selected 1st Class cadets); platoons into companies commanded by 1st Class cadet captains; companies into battalions under the command of yet more cadet captains; finally, battalions into the regiment, commanded by the cadet first captain. This structure, along with other cadet officers and noncommissioned officers, makes up the military structure of the Corps of Cadets. It is important to note that at VMI, rank is not given freely by class; each cadet with rank has applied and been selected for rank based on demonstrated performance and leadership potential.

Regimental Band and Pipes

The Regimental Band is organized as its own company, comprised of approximately 150 full-time members. The Regimental Band, along with the Pipe Band, performs at over 150 events annually and in the past five years they have appeared at the Rose Bowl Parade in Pasadena, Pearl Harbor Commemoration in Hawaii, and at the New Orleans Mardi Gras Parade. They also perform at home and away athletic events. While representing VMI to the public, they are still required to participate in the duties and activities required of every VMI rat and cadet.
VMI has several governing committees run by cadets under the supervision of the assistant commandant for cadet government. These committees handle the issues of the Corps and enforce regulations of the Institute.

The General Committee (GC) makes up the cadet leadership of the school. The GC upholds the standards and traditions of the Corps. It is the guardian of the class system through its enforcement of class privileges, and it is the officially recognized voice for cadets when interacting with the administration. The GC consists of the nine class officers and one elected 1st Class secretary.

The Officer of the Guard Association (OGA) maintains order and harmony within the Corps. This is the main organization through which the Corps polices its own, dealing with offenses from the most trivial to the most important. This organization, among other things, is charged with enforcing VMI’s anti-hazing policies. The OGA consists of 1st Class privates.

The Cadet Equity Association (CEA) promotes the Superintendent’s Statement on Equity at VMI, and monitors a post-wide climate of respect and equitable treatment for cadets. The mission of these cadets is to receive reports of incidents of discrimination or sexual harassment, to investigate these matters when appropriate, and to protect the privacy of the individuals involved insofar as it
is possible. CEA cadets receive training in matters and procedures related to investigations and legal issues that involve gender, racial, religious, sexual orientation, and ethnic discrimination.

Physical Fitness
Cadets have to take the VMI Fitness Test (VFT) every semester. The VFT is gender-normed and consists of pull-ups, sit-ups and a 2,400 meter run. It is highly encouraged that rats begin to get themselves into shape as soon as possible. VMI is notorious for ample stairs and never-ending hills. This is very important to keep in mind while preparing for the Rat Line. Following is a basic workout outline. Make sure to modify it to your ability.

- Day 1: 1 mile run at a fast pace/ 3 sets of 15 body weight squats/ 3 sets of lunges 10 each leg/ 4 sets of 30sec flutter kick then 25 crunches then 30sec plank
- Day 2: max set of pull ups/ 3 sets(1 min between sets) Diamond push-ups till exhaustion wait 30secs Regular grip push-ups till exhaustion wait 30secs Wide grip push-ups till exhaustion
- Day 3: 3 mile run/ 4 sets of pull ups till exhaustion
- Day 4: rest/ stretch

(Repeat)

Cadets are also required to take seven semesters of physical education classes. Cadets are also involved with several programs that encourage physical fitness. Physical Training Time (PTT) is administered by the respective ROTC departments and the Commandant’s staff. These sessions are mandatory. PTT is conducted twice each week and consists of a variety of physical training activities. Additionally, rats will engage in NCAA sports or Rat Challenge. This is where they will learn teamwork and leadership principles while doing many physical tasks such as runs, rope climbs, obstacle courses, rappelling, and swims. New Cadet Military Training (NCMT) teaches basic military skills, marksmanship, first aid, and land navigation.

Privileges and Leaves
Privileges and leave are based on General Committee (GC) class and are tempered by a cadet’s academic performance and/or conduct record. A cadet’s GC class is the class with which he/she matriculated unless the cadet has left and returned to VMI. Only 1st Class cadets with full class privileges are authorized to register, maintain, and operate a motor vehicle in Rockbridge County. New cadets are authorized one weekend leave after Breakout if they have full class privileges. Emergency leave of 72 hours may be granted because of serious illness, death, or other emergency in a cadet’s immediate family. The emergency leave must be approved by the commandant’s office or officer-in-charge and recommended by the chaplain. A time limit of 72 hours is stipulated for this furlough, but may be extended with the commandant’s approval. Special leaves are granted by permit. A cadet must have full class privileges and a cumulative 2.0 GPA to take advantage of special leaves. Cadets may submit a permit to attend religious conferences, retreats or encounter weekends off post. Religious permits may be submitted through the chaplain to the commandant and will require use of a weekend, unless the event is Institute sponsored or approved. A cadet may be placed on medical leave if he/she has a medical condition requiring an absence from duties at VMI. Medical permits are submitted through the Institute physician to the commandant. Other permits must be submitted by the cadet. Parents should not be involved in the permit process.
Women's Health at VMI

VMI Women's Health Services. The VMI Infirmary staffs a physician and nurse practitioner who offer full gynecological services while you are at VMI. Most of these services are free or at very low cost. The physician and nurse practitioner are available Monday through Friday from 0700-1700 and Saturday at sick call (0700).

Nurses are available at the VMI Infirmary 24 hours a day while cadets are in barracks.

What extra items might women need to bring to VMI?
» Pads, tampons, or other hygiene products
» Sports bras
» Any prescriptions or over-the-counter medications you use regularly
» Neutral colored hair clips & bobby pins (elastics not permitted after rat haircut)

It is not uncommon to get your period during Matriculation Week. Getting your period during Matriculation Week can be frustrating, but here is what to expect if that happens.

During that time all 4th stoop bathrooms will be stocked with pads and tampons for rats if needed. All EMTs will be carrying pads and tampons for rats if needed while not in barracks. If you get your period, let an EMT know, so that you have additional support. A woman having her period will be given additional time for showers and hygiene if an EMT is aware.

Some women have irregular periods or miss their periods completely during times of high stress or intense exercise. Let the Infirmary know if you miss more than three periods in row.

If you get painful cramps or have questions, go to the Infirmary. There is a medicine you can take to decrease the cramping. Many women at VMI use birth control pills, not just to prevent pregnancy, but for painful periods, irregular periods, or acne treatment.
Expectations for Cadet Conduct

General
Cadets are expected to conduct themselves as men and women of character at all times. Exemplary conduct both at and away from the Institute reflects credit on the cadet, the Corps, and the Institute. A cadet is always considered to be of good conduct and honorable under all circumstances, unless proven otherwise by the cadet’s own actions.

Conduct unbecoming of a cadet is any behavior which compromises, or can reasonably be expected to compromise, the character of the cadet, or the name and reputation of the Institute. Actions which constitute improper conduct are described in the Blue Book (regulation on standards and behavior) or established as such by the traditions of the Institute. Unacceptable conduct of a cadet may result in dismissal or other disciplinary action on a case-by-case basis.

Alcohol
The VMI post is commonwealth of Virginia property and subject to its laws concerning consumption of alcohol and illegal drugs. Consumption of alcohol on post by cadets, regardless of age, is strictly prohibited. There are severe penalties for all cadets who violate VMI’s policy regarding alcohol. All visitors to post should be aware of VMI’s rules regarding alcohol and illegal drugs and that they must absolutely refrain from providing alcohol or illegal drugs to cadets anywhere, to include “tailgate” parties. The Institute closely monitors the Parade Ground and all on-post activities.

Civility
VMI expects every cadet to be committed to respectful living, while treating everyone with dignity and fairness and encouraging others to do the same. In that light, cadets must understand the impact of their behavior on others and strive to uphold the values outlined in the Code of a Cadet.

Dating Among Cadets
Dating within the Corps is acceptable among the three upper classes as long as it is in accordance with policy. Typical cadet friendships based on shared backgrounds, academic or extracurricular interests, or organizational associations do not constitute dating. Cadets are not allowed to date within their own chain of command. New cadets may not date another member of the Corps during their entire first year at VMI.

Dangerous and Destructive Behavior
VMI is committed to the well-being and safety of cadets and the VMI family as a whole, as well as to the integrity of its learning environment. A cadet who presents a serious danger to self or others, or who substantially disrupts the learning environment on post, may be required to engage in a psychiatric evaluation followed by treatment on post if possible, and if not, while at home on a medical furlough.

Drug Testing Program, Controlled Substances, and Drug Paraphernalia
VMI General Order Number 53 is the Policy on Prohibiting Controlled Substances and Drug Paraphernalia. VMI does not tolerate the possession, solicitation, distribution, sale, or use of controlled substances, and/or of drug paraphernalia. VMI prohibits all cadets at any time or place, whether on—or off-post,
from possessing or using any controlled substances or other drug paraphernalia as defined in sections 18.2-250 (included in schedule I through VI of the Drug Control Act, Chapter 34 ($54.1-3400)) and 18.2-265.1 of the Code of Virginia, unless authorized by legal prescription for such substance or otherwise specifically permitted by law. Any cadet knowingly and willfully possessing or using such a substance or item in violation of this policy will be dismissed from the Institute. However, if the possession or use is not knowing and willful, the cadet will be subject to a penalty up to and including dismissal from the Institute.

VMI may conduct unannounced random drug tests of members of the Corps of Cadets for the presence of illegal drugs and other controlled substances periodically during the academic year. All matriculating at VMI do so with the understanding that they are subject to requirements of VMI’s random drug testing policy. In addition, the Commandant may direct members of the Corps of Cadets to be tested when a reasonable suspicion of drug use exists. Refusal to provide a specimen for testing upon request in accordance with the provisions of VMI policy may be treated as the equivalent of a positive test and turned over to the Commandant for appropriate disciplinary action. A positive finding of the presence of a prohibited substance shall be treated as confirmation of possession and use of the prohibited substance in violation of VMI policy and will result in dismissal.

**Go-16 Discrimination, Harassment, Sexual Misconduct, Retaliation Policy**

Virginia Military Institute is committed to providing an environment that emphasizes the dignity and worth of every member of its community and that is free from harassment and discrimination based on any protected status, against otherwise qualified persons with disabilities, or based on any other status protected by law. In pursuit of this goal, any question of impermissible discrimination on these bases will be addressed with efficiency and energy and in accordance with GO-16, which includes VMI’s Discrimination Grievance Procedures (Appendix A of GO-16). GO-16 also addresses complaints or reports of retaliation against those who have opposed practices prohibited by the policy, those who have filed complaints or reports under the policy, and those who have testified or otherwise participated in enforcement of the policy.

Sexual harassment is a form of discrimination based on sex. It is defined as unwelcome sexual advances, requests for sexual favors, or other conduct of a sexual nature including: verbal (e.g., specific demands for sexual favors, sexual innuendos, sexually suggestive comments, jokes of a sexual nature, sexual propositions, or sexual threats); non-verbal (e.g., sexually suggestive emails, other writings, articles or documents, objects or pictures, graphic commentaries, suggestive or insulting sounds or gestures, leering, whistling, or physical (e.g., touching, pinching, brushing the body, any unwelcome or coerced sexual activity, including sexual assault). Sexual harassment, including sexual assault, can involve persons of the same or different sexes. Sexual harassment may also include sex-based harassment directed toward stereotypical notions of what is female/feminine v. male/masculine or a failure to conform to those gender stereotypes.

**Bystander Intervention Training**

VMI adopted the “Step UP! Bystander Intervention program” beginning in 2014.
As new cadets, you will receive training in a small group setting to maximize your understanding of the program and the need to be proactive in helping others.

The goals of Step UP! are to:
- Raise awareness of helping behaviors
- Increase motivation to help
- Develop skills and confidence when responding to problems or concerns
- Ensure the safety and well-being of self and others

Most incidents on college campuses involve bystanders. Step UP! training provides a framework explaining the bystander effect, reviews relevant research and teaches skills for intervening successfully using the 5 Decision Making Steps, and the S.E.E. Model (Safe; Early; Effective). A survey at three universities (The University of Arizona, University of California, Riverside and University of Virginia), revealed that students are encountering multiple situations where bystander intervention would be appropriate including, among other things, alcohol abuse, hazing, eating disorders, sexual assault and discrimination. Almost 90 percent stated a problem could have been avoided with intervention and up to 85 percent of the student-athletes indicated they would like to learn skills to intervene. The bottom line is that many, if not most, unfortunate results are preventable.

Hazing

The Rat Line and cadet life is difficult, but the conduct of cadre is absolutely professional and hazing is prohibited under Virginia law. Section 18.2-56 of the Virginia Code states: “Hazing is unlawful; civil and criminal liability; duty of school, etc., officials” is as follows: “It shall be unlawful to haze, or otherwise mistreat so as to cause bodily injury, any student at any school, college or university. Any person found guilty thereof shall be guilty of a Class 1 misdemeanor. Any person receiving bodily injury by hazing or mistreatment shall have a right to sue, civilly, the person or persons guilty thereof, whether adults or infants. The president or other presiding official of any school, college or university, receiving appropriations from the State treasury shall, upon satisfactory proof of the guilt of any student hazing or mistreating another student, sanction and discipline such student in accordance with the institution’s policies and procedures. The institution’s policies and procedures shall provide for expulsions or other appropriate discipline based on the facts and circumstances of each case. The president or other presiding official of any school, college or university receiving appropriations from the state treasury shall report hazing which causes bodily injury to the attorney for the Commonwealth of the county or city in which such school, college or university is, who shall take such action as he deems appropriate.”

Marriage and Parenthood

All VMI cadets must live in barracks and participate in a demanding and rigorous military program that does not permit attention to the duties implied by marriage or parenthood. Pursuant to the policy adopted by the Board of Visitors, any cadet who marries or becomes a parent is expected to resign from the Corps. Absent voluntary resignation, should the Institute, in its reasonable judgment, conclude that a cadet is married or the parent of a child, such cadet shall be separated from the Corps, for failure of eligibility, at the end of the semester in which the information is received and investigated. For the purpose of the policy, the responsibilities of parenthood are deemed to begin upon a cadet’s learning that a child has been conceived as a result of his or her conduct.
All cadets shall, upon matriculation and return each fall, sign a statement confirming their knowledge of this policy.

Penalties
Penalties that may be assigned for violations are demerits, confinement, penalty tours, and suspension or dismissal from the Institute. In addition, cadets may be declared ineligible for privileges or be placed on conduct probation. Appeals for reconsideration of a penalty assigned as a result of a special report must be submitted in writing to the Commandant within one week of the date of the special report. Appeals of disciplinary dismissals may be heard only in the most unusual of circumstances. The president of the United States and the governor of Virginia may suspend confinement and penalty tours through the granting of amnesty. Amnesty does not affect demerits or any probationary status, i.e., conduct or academic probation.

Punitive Restrictions
Restrictions placed on a cadet affect his/her status by redefining limits and negating privileges. Cadets given restrictions will be fully aware of the limits of their restrictions. Ignorance is not an acceptable explanation for breach of restriction. Restrictions include arrest, room confinement, barracks confinement, conduct probation, and physical training probation.

The Blue Book
The Blue Book outlines the regulations governing the Corps of Cadets and provides broad guidelines for cadet standards and conduct. Cadets adhere to the provisions of the Blue Book at all times including during furloughs (including summers) and while on and off post. VMI cadets are subject to this regulation from the time they sign the Matriculation Book and become a cadet until relieved of duty at graduation. Violations of the Blue Book that occur, for example, during the summer furlough and off post, may result in action being taken for misconduct.
Support Services and Information

Campus Security
vmi.edu/police
540-463-9177

The Jeanne Clery Act requires all institutions of higher education to publicly disclose three years of campus crime statistics and basic security policies. In addition, federal regulations require disclosure of graduation rates for each institution. VMI has chosen to include its sexual harassment and sexual assault policies with this information.

The personal safety of cadets and the security of the community are of vital concern to Virginia Military Institute. A copy of the Institute’s annual security report is available upon request. This report includes statistics for the most recent three-year period concerning reported crimes that occurred on post, in certain off-post buildings, on property owned or controlled by VMI, and on the public property within or immediately adjacent to and accessible from the post. The report also includes information regarding the law enforcement authority of the post police and policies concerning campus security, such as crime prevention, alcohol and drug use, sexual assault, and reporting of any crimes that may occur on campus.

VMI Reach Out app

VMI has developed the VMI Reach Out app for safety and security information. The home page on the app displays icons that direct users to information, reporting contacts and services they may need. Users only need to tap the icon to access information concerning police, emergency services, the Title IX coordinator, chaplain, infirmary, and cadet counseling. The app also provides direct hotlines for support organizations such as Project Horizon, which assists victims of dating, domestic, and sexual violence. The app can be downloaded free of charge from the Apple App Store and from Google Play. Search for the “Reach Out-College Edition” app, download it, and select “Virginia Military Institute” when prompted. VMI encourages all cadets to have this safety app on their mobile phones.

Barber Shop
vmi.edu/cadet-life/life-on-post/auxiliary-services

Each rat receives a “rat haircut” during Matriculation Week at the Institute’s own barber shop, located in the concourse of New Barracks. New Cadets are required to get a haircut every week during the Rat Line. New cadets should not get a regulation haircut before matriculating. The quartermaster charge covers the cost of all haircuts.

Preston Library
vmi.edu/library

The mission of Preston Library is to provide library materials and services of the highest quality; to teach skills needed for academic inquiry and lifelong learning; to support faculty and undergraduate research; to provide access to and promote the use of Institute historical materials; to support the creation and use of multimedia by cadets and faculty; and to offer library services to the community at large.

Preston Library’s collections include 300,000 volumes of print materials, over 5,000 non-print items, and more than 250 scientific, literary, and general-interest print periodicals. In addition, the library provides access to more than 100 full-text and citation databases and over 100,000 full-text electronic journals. Preston
Library is a selective depository of U.S. government publications, with current holdings of about 200,000 federal and state documents. Cadets may check out books, videos, and other materials for their research and study needs and access materials on reserve. Preston Library offers free interlibrary loan service which provides access to materials not owned by the library. The library has 32 networked computers with access to the internet, online catalog, Microsoft Office, and local network drives. A computer instruction lab and a projection room are available to view videos. Study and learning space includes 122 study carrels, 6 group study rooms, over 40 large study tables, and gallery areas on each floor with comfortable arm-chairs and sofas. Wireless network and printing is available throughout the building.

The library provides media services for cadets to borrow equipment and software to create media presentations. The VMI Archives is located in Preston Library for cadets interested in doing primary source research. More information about Preston Library and its resources, services, and facilities is available at vmi.edu/library.

Lejeune Hall
vmi.campusdish.com

Food Court (also called “The X” or “PX”) is located in Lejeune Hall and is adjacent to Third Barracks. It is open seven days a week, from 0830 to 2300, Monday through Saturday; 1100 to 2300 on Sunday. An assortment of food from salads to pizza is available. Sales are for cash, check, or major credit card. Orders can also be taken for special event items (birthday cakes, exam packs, etc.).
The VMI Bookstore (540-464-7637), located in Lejeune Hall, sells textbooks, authorized supplies, and toiletry items. For the convenience of cadets, the Bookstore also carries stationary, paperbacks, greeting cards, post cards, imprinted sportswear, grooming supplies, and souvenirs. Free gift wrapping is provided. New cadets will make several purchases in the Bookstore during Matriculation Week. These purchases must be paid for at the time of sale by cash, check, or major credit card. Cadets may order books online and pick them up at a later time.

Religious Support
540-464-7390
The Chaplain to the Corps of Cadets provides religious support and opportunities for spiritual development to the members of the Corps. The chaplain leads a vibrant, growing Sunday chapel service in Jackson Memorial Hall with contemporary worship, cadet testimonies, and inspirational preaching and teaching from the scriptures. Cadets are encouraged to mature in their faith through prayer, Bible study (small Bible study groups meet on each stoop weekly), fellowship (numerous religious groups assemble on and off post each week), worship (local churches offer weekly services), community service (students are encouraged to participate in activities benefiting those in need), and missions (spring and summer furlough mission trips are made available). The Chaplain also provides personal counseling and mentoring. The Chaplain's office liaisons with local denominational churches that include Episcopal, Lutheran, Baptist, Presbyterian, Catholic, Pentecostal, Methodist, etc. Support is provided through a local Hillel group for Jewish cadets. The Chaplain provides religious support for all faith groups based upon availability of local churches, mosques, and synagogues. For any questions, please contact the Institute Chaplain at his office: 540-464-7390.

Telephones
New cadets are not authorized to have a cell phone in their possession. They will often keep their cell phones in their dykes' room until the end of the Rat Line. Since rats are difficult to directly contact, it is encouraged to contact their dyke in case of emergency.

Uniform Laundry, Cleaning, Pressing, Alterations and Repairs
vmi.edu/cadet-life/life-on-post/auxiliary-services
Laundry service is provided once a week. Each cadet is assigned a laundry number on Matriculation Day. New cadets will receive a permanent laundry marker in their rat-bag to mark their laundry number on all of the non-issued clothing. Uniforms are cleaned and pressed in the VMI Laundry Department. The cost of laundering, cleaning and pressing of regulation uniform items is included in the quartermaster charge. The VMI Tailor Shop alters and repairs uniforms. There is no charge for normal uniform alterations and repairs due to fair wear and tear.

Military Store
vmi.edu/cadet-life/life-on-post/auxiliary-services
540-464-7303
The Military Store, located in Richardson Hall, stocks regulation uniform items. Additional and replacement uniform items may be purchased, but must be paid for at the time of purchase by cash, check,
or credit card. Hours: Monday through Friday from 0730-1100 and 1200-1530.

Health Services

Center for Cadet Counseling
vmi.edu/counseling
540-464-7667

The Center for Cadet Counseling (CCC) offers services that help develop awareness, knowledge and skills necessary for Cadets to make healthy choices, meet future challenges and lead meaningful lives. Services include educational programming, individual assessment and counseling, psychiatric services, crisis intervention and consultation. Counseling services are confidential and conducted by licensed mental health professionals.

Post Infirmary
vmi.edu/infirmary
540-464-7218

An infirmary, with 24-hour nursing provided, is located on Post. The infirmary offers full primary care services in a confidential setting. A doctor and nurse practitioner are available daily. Emergencies are referred to the local hospital, Carilion Stonewall Jackson Hospital, which serves the Lexington-Rockbridge County area. Medical conditions that must be treated off-post are treated at the cadet’s expense. Cadets are permitted to keep personal prescriptions and over-the-counter medications in a lockbox in their rooms.

It is strongly recommended that any cadet not covered by the parents’ health insurance purchase a personal health insurance policy.

Free flu shots are offered to all cadets in the fall. As part of the fees paid by each cadet, VMI provides accident insurance for all cadets which will cover up to $5,000 for an injury incurred while participating in official VMI activities. This insurance policy will be secondary to any health care coverage provided by families. All international students are assessed a mandatory health insurance fee which covers the cost of a student medical insurance policy.

Additional Information

The HPV vaccine is recommended for all cadets.

Stress Fractures: very year, we have 5-10 cadets who develop stress fractures. Stress fractures are more common in women. If you experience persistent pain in the groin, hip, lower legs or feet, go to the Infirmary for evaluation.

Eating Disorders: College women are at a higher risk of eating disorders such as anorexia or bulimia. These conditions can lead to serious medical problems. They are treatable. If you or a friend has a problem or questions, you can speak with the nurse or doctor in the Infirmary, or with one of the counselors in Cadet Counseling. Treatment is confidential. Take care of yourself and your fellow cadets.

If you have specific questions, please email: Jenny Crance, FNP at crancejh@vmi.edu or Dr. David Copeland at copelanddl@vmi.edu.

Information Technology Department
vmi.edu/it

The Information Technology Department serves as the management and support group for all technological services offered at VMI. From maintenance to training courses, the continually modernizing program provides many courses aimed at promoting learning and assisting faculty and staff. The IT Department’s home page contains links to many helpful resources.
Wireless Network Connectivity
vmi.edu/it

VMI provides wireless network access in many classrooms and general access areas around Post, giving cadets ample opportunity to use laptops equipped with wireless network adapters in the completion of academic obligations. There are two IT help desks located at VMI. One help desk is located in room 315 of Nichols Engineering building, and the other help desk is located in the barracks study room. Office hours are Mon-Fri, 0700-1200 and 1300-1600. Instructions for gaining access to the wireless network can all be found on the IT Department's homepage.

Museum System

VMI operates three historic sites: the VMI Museum, the Stonewall Jackson House and the New Market Battlefield State Historical Park. Founded in 1856, the VMI Museum is the oldest museum in Virginia. It preserves and exhibits the history of the Cadet Corps and is located in the lower two levels of Jackson Memorial Hall. The Stonewall Jackson House is an historic house museum located at 8 Washington Street in Lexington that interprets Jackson’s domestic life of the 1850s. Purchased by then professor Major Thomas Jackson in 1858, Jackson owned the home until his death in 1863. The New Market Battlefield is a 300 acre preserve commemorating the celebrated charge of the VMI Cadet Corps on 15 May 1864. The Virginia Museum of the Civil War is located on the grounds. The battlefield is located just off Interstate 81 at exit 264. All three museums are open daily, 0900-1700 (the Jackson House is open half days on Sundays, 1300-1700). Parents and current cadets receive free admission at all three sites.
Rat Mass of 2020+3,

Your decision to attend the Virginia Military Institute is commendable. You have chosen to forgo instant gratification to attend the hardest school in the nation. While your peers at ordinary universities coast through their undergraduate education, you will be tested physically, emotionally, and mentally in ways yet unimaginable to you. In your decision to courageously stand up with your Brother Rats this August to seek entrance to the Virginia Military Institute, you have displayed your resolve to live a life of meaning rather than complacency. Shortly, you will have the opportunity to prove your mettle to endure the challenges before you.

Transitioning from high school- to college-level academics is no easy task. You and your Brother Rats will be uniquely challenged as that transition is compounded with the Rat Line. Your unique burden will be to manage your time effectively in order to balance the many trials and tribulations you will face every day as a VMI cadet. As you feel the stress overwhelm you, I ask that you recall that you are never alone at VMI. Rely on your Brother Rats for support and seek help. Composed of consummate professional young men and women who have mastered the educational system at VMI, my S-2 Staff exists to support your transition into the rigorous academic environment of VMI. We will provide the guidance you need to succeed academically. It is our mission, in tandem with the Miller Academic Center, to provide you access to a network of cadet-peer tutors, group study sessions, and professionally staffed organizations devoted to promoting the educational development of VMI cadets. Your S-2 Company Representative will work with you personally, striving to the utmost to ensure you are provided every opportunity possible to succeed.

While we work to promote your success, remember that it is incumbent on you, the individual Rat, to seek help, to pursue the grades you are capable of earning, and to take your success into your own hands. You will never be given anything at the Virginia Military Institute. Here, you must earn every grade. My staff will provide you the opportunity for you to succeed. Your task is to seize the opportunity and earn your success.

Very respectfully,

Nicholas J. Wainwright
S-2 Captain AY 19-20
Academics and Related Support

S-2 Staff Description
The S-2 staff serves as academic advisers to the Corps of Cadets, and representatives of the Corps to the VMI faculty. Each company is assigned an S-2 academic representative who monitors the company’s academic performance and helps struggling cadets in need of academic help. The S-2 staff is particularly focused in working with rats and ensuring that they have a successful academic transition from high school to college academics. Additionally, the S-2 staff serves as scribes for cadet meetings and write permits relating to academics.

Recommendations for Incoming Rats
» New cadets need to be aware that courses in colleges are much more difficult than courses in high school, especially here at VMI, where new cadets need to learn how to manage their time between the Rat Line and academics.
» It is better to over-prepare than under-prepare.
» Be ready to create and maintain good relationships with your professors. Introducing yourself to your professors at the beginning of the semester will be beneficial to your success throughout the course.
» Use your allotted free time wisely. Triage assignments according to their length and importance. For example, do a worksheet during a free hour, but use the uninterrupted Dean’s evening hours to work on a long paper.
» Seek help as soon as you feel you’re struggling—even if only a little bit. It’s better to get help as soon as something is unclear so that you don’t fall behind even more.

» Place your academics first. It’s easy to get so caught up in the Rat Line that you put your homework off. You don’t get kicked out for unshined shoes, but you can easily get kicked out for bad grades.
» Familiarize yourself with the Academic Handbook to find out more about academic policies, departmental information, program requirements, and opportunities by reading through the course catalog on the website (vmi.edu/academics/majors-and-minors/).
» Start off strong. At VMI, you are starting fresh and developing/maintaining a strong work ethic will be important for succeeding later in life.
» New cadets need to be aware that they have a lot of academic resources they can use, and we are here to help. (Writing Center, Group Study Sessions, Miller Academic Center, and especially the tutor system).

Academic Advising
Upon entry into VMI, each cadet is assigned an academic advisor who, unless the cadet subsequently changes academic major, will work with the cadet until graduation. During the first year there is extensive contact between the advisor and cadet in order to facilitate the cadet’s transition into the VMI culture, assist the cadet in mastering the academic policies and regulations, and assist the cadet in coordinating the demands of a multi-faceted academic and co-curricular experience.

The academic advising program is a pivotal element of the broader program of academic support services provided by Virginia Military Institute and is a major force in ensuring a successful progression.
through the VMI program. Cadets are encouraged to take full advantage of the Institute’s commitment to the academic advising process.

Financial Aid
vmi.edu/financialaid

The mission of the Office of Financial Aid is to provide financial assistance and counseling to cadets and prospective cadets, so as to reduce the financial barriers that could hinder enrollment, retention, and success at VMI. The Office strives to provide responsible and courteous service and functions in compliance with all federal, state, and VMI policies.

The application process for financial aid consists of two important steps:
» The completion of the VMI Financial Aid Application
» The completion of the FAFSA—the Free Application for Federal Student Aid (#003753)

Deadline: March 1 of each year for new and returning cadets. Failure to submit materials by the deadline may affect VMI’s ability to provide financial assistance.

The completion of these two forms determines the level of need-based aid for which a cadet qualifies. In addition to aid awarded by VMI (need-based grants, merit scholarships, and ROTC scholarships), assistance may also be received through Federal Direct Loans and Parent PLUS Loans. All aid received by a VMI cadet, regardless of the source, will be processed through the Office of Financial Aid. Please visit vmi.edu/financialaid to find additional details regarding VMI's Financial Aid program, as well as contact information for staff members.
Special Academic Programs

Office of Disabilities Services.
vmi.edu/academics/support/disabilities-services/

The Office of Disabilities Services (ODS) is committed to meeting the ethical and legal responsibilities to ensure equitable educational access for cadets with documented disabilities. We support cadets’ development of academic, life and leadership skills in a manner that fosters self-awareness, self-determination, and self-advocacy. ODS also serves as a resource to the VMI community by promoting awareness and understanding of disability issues in higher education.

Cadets with documented disabilities are encouraged to schedule a meeting with the Director of ODS as early as possible to allow adequate time for review of documentation, to allow for a thorough assessment of academic needs, and to familiarize new cadets with administrative procedures.

Institute Honors Program
vmi.edu/honors

This program exists to enrich the academic experience of VMI’s outstanding cadets through activities that encourage an affinity for intellectual inquiry and develop the capacity for sophisticated engagement of issues and problems, whether ethical, civic, or professional. In all of its elements, the program stresses peer leadership, strong oral and written communication skills, and the highest standards of academic integrity and excellence. The Institute Honors Program recognizes a broader range of achievement than honors earned in any particular major. Attainment of Institute Honors is viewed as the highest academic achievement at VMI.

International Programs
vmi.edu/ip

Broadening global perspectives and increasing cultural awareness is an inherent component of VMI’s mission of educating citizen-soldiers. The Office of International Programs (OIP) offers a complete portfolio of study abroad opportunities designed to prepare young men and women for successful service in an increasingly global community. VMI’s study abroad opportunities include programs at both civilian and military institutions around the globe. Because cadets are not permitted to study abroad during their first two semesters at VMI, the summer following the rat year presents cadets with their first chance to take advantage of this remarkable opportunity. Cadets may study abroad one semester during their cadetship and as many summers as they like. Faculty-led summer programs occur during the same timeframe as the VMI summer sessions and are intended not to conflict with regular duties during the year, such as ROTC training, intercollegiate athletics, or other responsibilities within the Corps.

Open Math Lab (OML)

The Open Mathematics Laboratory (OML) is designed to allow cadets to freely seek and find as much help as needed for any of VMI’s mathematics core curriculum courses. The model for the lab is one wherein tutors are prepared to help cadets in an open and shared setting. Walk-ins are welcomed. OML tutors are trained, knowledgeable, and current on the specific techniques and problems taught by VMI mathematics teaching faculty. The OML is meant to complement and support, but not replace, course activities within the VMI mathematics curriculum.
Miller Academic Center Academic Success Programs

The Miller Academic Center (MAC) helps cadets transition to college academics and college life. Cadets can learn how to effectively manage their time through the use of the VMI College Success Planner. Group Study Sessions (GSS) are available for a number of core courses including science, math, history, and foreign languages. The GSS meetings are a weekly opportunity for new cadets to discuss coursework and strategies with successful upper-class cadets. Academic Saturday workshops provide new cadets with valuable information on effective study skills and strategies to optimize their time. Staff will also meet with individual cadets to discuss concerns or questions about academic success at VMI. New cadets are encouraged to learn more about the MAC programs and services designed with them in mind by visiting vmi.edu/mac.

Writing Center

The Writing Center complements and extends the writing instruction cadets receive in the classroom by providing help with a full range of activities to improve their writing, at any level and in any discipline. Professional tutors work with cadets in one-on-one conferences on every aspect of the writing process, from planning a paper to polishing a final draft. For further information, contact Colonel Christina R. McDonald, Institute director of writing, or visit the Institute Writing Program’s website: vmi.edu/iwp.

Transfer Credit

VMI has stringent rules in regards to transfer credit approval. It should be known that VMI requires cadets to have at least 6 semesters in residence at VMI to graduate, with a 75% rule requiring that at least 75% of all credits a cadet graduates with was earned at VMI. In regards to AP credit and college credit transfer, VMI requires students to earn a C or better in order for the credit to transfer.
VMI Center for Undergraduate Research
vmi.edu/academics/enrichment/research/undergraduate-research/

The VMI Center for Undergraduate Research (V-CUR) is both a program and a centralized office with the mission of promoting and facilitating faculty mentored undergraduate research at VMI. V-CUR operates on the premise that some of the most enduringly meaningful academic experiences of college students come through opportunities to be mentored one-on-one by faculty outside the classroom, while also believing in the merit of research and other inquiry-based experiences within a more traditional classroom setting. V-CUR simultaneously nurtures existing mentoring efforts and coordinates new institutional support for joint investigative projects by faculty members and cadets. Programs include an annual Undergraduate Research Symposium held on post; a Summer Undergraduate Research Institute; cadet travel grants to present at professional meetings or conduct research in the field; Wetmore Fund for supplies for cadet academic year research; and awards to encourage and acknowledge faculty who engage cadets in undergraduate research experiences. For more information, contact MAJ Megan Newman or visit V-CUR’s website.

ROTC

In order to graduate from VMI, every cadet is required to take eight semesters of ROTC classes and successfully pass each semester. Each ROTC unit prepares cadets to receive a commission in their respective branch, whether a cadet chooses to commission or not. Throughout the year, there are two scheduled training exercises during which it is likely that cadets will leave post to train in the field for a weekend. These weekend Field Training Exercises (FTXs) provide experience specific to the service the cadet has selected. If a cadet is interested in earning a commission, scholarship and non-scholarship commissioning programs are available in each of the four service branches.

New cadets are required to select a ROTC branch during the summer scheduling process. In attempting to determine which ROTC branch they should enroll, new cadets can contact representatives of each branch through their departmental emails. Each ROTC department will be available at matriculation to answer additional questions. In order to enroll in the Air Force or Naval (Navy or Marines) ROTC Programs, new cadets must express a desire to commission and meet individual service requirements. Cadets who are not anticipating commissioning will be assigned to Army ROTC.

The Army National Guard and United States Army Reserve Simultaneous Membership Programs are avenues that a cadet may take for additional income and possible tuition assistance. While these are great programs, prospective cadets are strongly encouraged to contact the Army ROTC Department (USAR or ARNG Liaison Officers) before enlisting, as Basic Training and School dates could prevent the cadet from completing a semester, which could result in disenrollment from VMI. There could also be some conflict when applying for an ROTC scholarship. For more information contact Mr. Thomas Atkinson (Army) 540-464-7680, armyrotc@vmi.edu; YNC (ret) Rick Schemehorn (Navy) 540-464-7277, nrotc@vmi.edu; Maj Theresa Beaver (Air Force) 540-464-7640, afrotc@vmi.edu.
Glossary of Common VMI Terms

**Barracks:** Where cadets live; dominant architectural feature of VMI; original section completed in 1851; a National Historic Landmark.

**Barracks Study Room:** Room in the concourse of barracks with study carrels, computers, and printers available to all cadets, including rats, for studying.

**The Bomb:** The VMI yearbook; the oldest college annual in the South, first published in 1885.

**Boned:** The act of being placed on report for an infraction of the rules; Bone: the specific punishment for being boned.

**Boxed Lunches:** A to-go lunch hand made for cadets during times they can’t make it to Crozet.

**BRC:** Breakfast Roll Call; the first formation of the day.

**Breakout:** Culminating event signaling the end of the Rat Line.

**Breach of Permit:** Failure to adhere to both the letter and the spirit of conditions associated with specific permission to do something. (See also: Permit.)

**Brother Rat, “BR”:** A term of affection for those who go through the Rat Line the same time you do.

**CAD:** Completion of Academic Duty. This is when the student is finished with class for the day.

**CEA:** Cadet Equity Association. Monitors the post-wide climate of respect and equitable treatment for cadets.

**Certified:** An oath, as in “I certify;” also, the promise not to share confidential information.

**Citizen-Soldier:** The goal of a VMI education; modeled on the actions of Cincinnatus, the legendary Roman farmer/warrior/statesman who fought to save Rome, then returned to civilian life.

**Class:** First class (senior); second class (junior); third class (sophomore); fourth class (freshmen); rats become fourth class cadets after the Rat Line ends (following Breakout).

**CMD:** Completion of Military Duty. This is when the cadet is finished with all required responsibilities for the day.

**Coatee:** Woolen jacket with tails and many buttons; part of full-dress uniform.

**Commandant:** Senior administrative officer responsible for the supervision and training of the Corps.

**Concourse:** Underground level of barracks.

**Confinement:** A restriction to room, barracks, or post; results from being boned for a rules violation.

**CCQ:** Close Call to Quarters. This is when cadets are required to be in their rooms if they are not in an authorized location.

**CQ:** Call to Quarters. This is when the guard teams has checked barracks after TAPS has sounded to release cadets from their rooms.

**CQRB:** Call to Quarters, Release in Barracks. This is announced 15 minutes before TAPS.

**CTT:** Commandant’s Training Time used for training and inspections.

**DTT:** Dean’s Training Time; Dean’s weekly time for special academic activities.

**Demerits:** Mark made against a cadet’s record for a fault or for misconduct; issued for breaking rules and as a result of being boned; excess demerits may result in suspension or dismissal.

**Drum Out:** The formal announcement to the Corps of an expulsion of a cadet for an honor offense. The ceremony begins with a long drum roll.
Ducks: White cotton trousers worn with coatee during formal occasions.

Dyke: The term used for a first class cadet in relation to his/her rat.

Dyke Out: To get dressed in Coatee and don the signature white crossing straps, worn only for parades.

EC: Executive Committee; is composed of the GC (see definition) and the President of the OGA (see definition) and hears special cases of cadet misconduct.

Formation: Cadets standing in ranks for a specific event, such as parade formation, meal formation, etc.

Form 24: A form to self-bone. Used when a cadet breaks a rule, which they are honor bound to follow.

Furlough: Vacation scheduled or approved by VMI.

GC: General Committee; composed of the nine class officers; maintains/enforces the standards of the Corps. The EC, OGA, and CEA are subcommittees of the GC.

Gim: Term applied to Sick Call or those who receive relief from duty as a result of an injury or illness. The first Institute Physician had a horse named “Gimlet,” nicknamed “Old Gim,” which he used to transport cadets who were too ill to walk. Thus, cadets “rode the Gim” to sick call.

General Orders: Standing orders for members of the Guard Team or orders pertaining to VMI employees and/or cadets.

Gray Blouse: Woolen jacket (equivalent to coat and tie in formality)

Guard Room: Headquarters for the Guard Team; in Jackson Arch.

Guard Team: The group of cadets responsible for barracks for a 24-hour period.

Guard Tree: Formerly a tree on the Parade Ground where the guard team assembled; site now marked by a memorial tablet.

Hay: Traditional term for mattress which must be rolled up each morning; term originated from days when cadets slept on hay pallets.

Hay Rack: Folding cot upon which the hay is placed for sleeping; also known as one’s rack; must be placed against wall each morning.

Help Received Statement: Official, certified statement on any “work for grade” that acknowledges any work not belonging to the cadet whose work it is.

Honor Court: See section on Honor System in this handbook.

Honor System: See section on Honor System in this handbook.

Hops: Organized dances/mixers/social events at VMI.

House Mountain: Double mountain seen in profile from Parade Ground; located about five miles west-northwest of VMI; a Rockbridge County landmark.

Jackson Arch: Main entrance to Old Barracks; contains entrance to Commandant’s office.

JM Hall: Jackson Memorial Hall; the primary assembly hall for Corps functions; contains cadet chapel and VMI Museum.

Limits Gate: Brick pillars on Letcher Avenue near Mallory Hall denoting old boundary between VMI and the town.

McKethan Park: A recreation park and pavilion used for Corps and Institute activities located two miles east of Lexington.

Military Duty: The part of the day devoted to military duties and/or the intramural athletic program; follows academic duty and precedes supper.

New Market: Civil War battle on May 15, 1864, involving VMI’s Corps of Cadets. Also, the town of the same name located about 80 miles north of Lexington. VMI’s New Market Battlefield State Historical Park commemorating the
battle and VMI’s role in the Civil War is located here.

**OC**: Officer-in-Charge, an Institute official; represents the Commandant and monitors guard team performance after hours.

**OCMNI**: Officer-in-Charge Middle of the Night Inspection. An after Taps check of cadets by the OC.

**OCNI**: Officer-in-Charge Nightly Inspection. An evening check of the barracks by the OC.

**OD/OG**: Officer of the Day/Officer of the Guard; the two ranking members of the guard team (usually first class cadets).

**OGA**: Officer of the Guard Association (first class privates); helps create and maintain an environment that facilitates communications, harmony, and discipline in the Corps.

**Optional BRC**: Authorization to miss Breakfast Roll Call.

**Orderly**: A cadet from each room who is responsible for the cleanliness of the room. Will receive all bones for an out of order room.

**Parade Ground**: Open field in front of barracks used for parades, physical training, and tailgates during football season.

**Parapet**: Wall along the south side of barracks overlooking Memorial Gardens and Cocke Hall; has a famous inscription which rats must memorize.

**Penalty Tours**: A punishment consisting of an hour’s worth of supervised marching while carrying a rifle.

**Permits**: Typed documents approved by the appropriate authority to address situations needing special attention and/or to grant approval for exceptions to policies. Permits must be submitted no later than four days prior to the effective date. The Commandant approves certain Standing Permits at the start of each academic year for special purposes such as dine with family. Cadets must acquire the appropriate signatures prior to submitting permits. This includes teacher signatures for class absences, coach approval for intercollegiate absences, the doctor’s signature for urgent medical appointments or furloughs, advisor signatures for club activities, and Career Service approval for interviews.

**PTT**: Physical Training Time with a cadet’s ROTC affiliation or, if a non-commissioning second or first classman, with their VMI company.

**PX**: Post Exchange; where cadets get food and can eat with families.

**QMD**: Quartermaster Department; issues uniforms.

**Ranker**: Any cadet who holds an official position in the regimental system.

**Rat**: Term applied to all new cadets during their first year at VMI; precedes being a fourth class cadet, which comes after Breakout from the Rat Line.

**Rat Bible**: Small book of facts about VMI’s history and certain information specific to the current year; must be in a rat’s possession at all times; rats are responsible to know and recite the contents of this book.

**Rat Challenge**: A physical program that includes obstacle courses; promotes teamwork and leadership; rats participate during the fall semester.

**Rat Line**: The whole experience of being a rat; also the specific path in barracks which rats must use in going from one place to another.

**Ring Figure**: The weekend events at which second class cadets receive their class rings.

**Run the Block**: To leave Post against regulations, usually at night; if detected, results in a major bone.

**Section Marcher**: A cadet official in charge of accountability (attendance)
for a particular academic class and responsible for presenting the class to the professor.

**Sent up**: Recommended to the GC (see definition) as a disciplinary measure.

**Sentinels**: Rats or fourth class cadets assigned to a daily rotating guard position around barracks and charged with upholding the regulations of the Institute.

**Shako**: Tall hat bearing either a pom-pom or feather plume (officers only) worn for full-dress parades.

**Special Orders**: Any additional orders posted for specific members of the Guard Team.

**The Spirit**: VMI’s “fight song;” also doubles as the Alma Mater.

**SRC**: Supper Roll Call; Supper formation with the entire Corps.

**Visitor Slip**: Colored note sent to a cadet’s room by the guard team notifying the cadet of the presence of a visitor, a phone message, etc.

**Stoop**: A floor of barracks; rats live on the fourth stoop.

**Strain**: An exaggerated position of attention; what rats are supposed to do when they walk the Rat Line.

**Superintendent**: The president of VMI, General J.H. Binford Peay, III, VMI Class of ’62

**Supernume**: Supernumerary; an additional third class cadet attached to the Guard Team who acts as a messenger.

**Sweat Party**: Fifteen minute physical fitness workout reserved for rats.

**TAPS**: This is the last bugle call at night blown as a signal that lights are to be put out.

**Tailgate**: To picnic out of the trunk of a car; usually on the Parade Ground preceding/following a football game.

**Uncle Dykes**: The first class cadets who room with one’s dyke.

**VMI Museum**: Preserving and interpreting the heritage of VMI and its alumni, the VMI Museum features galleries dedicated to the history of VMI, the Henry Stewart Antique Firearms Collection and VMI alumni service as citizens and soldiers. The oldest museum in the state of Virginia, it houses over 13,000 artifacts.

**Work for Grade**: Any work submitted to a professor for a grade is subject to the Honor System; it must be the cadet’s own work; any help must be acknowledged in the Help Received Statement.

The Virginia Military Institute is committed to providing an environment that emphasizes the dignity and worth of every member of its community and that is free from harassment and discrimination based on race, sex, color, national origin, religion, age, veteran status, sexual orientation, pregnancy, genetic information, against otherwise qualified persons with disabilities, or based on any other status protected by law. In pursuit of this goal, any question of impermissible discrimination on these bases will be addressed with efficiency and energy and in accordance with VMI General Order 16. General Order 16 also addresses complaints or reports of retaliation against those who have opposed prohibited practices, those who have filed complaints or reports of prohibited practices, and those who have testified or otherwise participated in enforcement of General Order 16. Questions regarding discrimination prohibited by Title IX of the Education Amendments of 1972, or other federal law, may be referred to the VMI Inspector General and Title IX Coordinator, 212 Carroll Hall, VMI, Lexington, VA 24450, (540) 464-7072. Any cadet or prospective cadet having questions about disability services for students should contact the Director of the Center for Cadet Counseling and Disability Services, 448 Institute Hill, 2nd floor, Post Infirmary, Lexington, VA 24450, (540) 464-7667. For employment-related disability services, contact the Americans with Disabilities Act Coordinator in the VMI Human Resources Office, Lexington, VA 24450, (540) 464-7322.
