Cocke Hall Gym Complex and Pool Annex Authorized Users Policy

Cadets have priority for use of Cocke Hall, King Hall, and the Swimming Pool (Cocke Hall Complex).

Cadets, Faculty, Staff, and VMI employees not in an authorized uniform may be required to show a valid VMI ID Card, if requested by VMI or Complex staff or security personnel, before using the Cocke Hall Complex. Cadets in Class Dyke or Gym Dyke will not be required to present ID.

The Complex will be available for use by Cadets, Faculty, Staff, and VMI employees during hours as periodically published. For security and personal safety, authorized users are to adhere to these hours of operation.

Faculty, Staff, and VMI employees may request access to the Cocke Hall facilities (NOT to include the Swimming Pool) outside of normal published operating hours on a per-exception basis. Formal individual requests for use outside of normal hours may be made to the Commandant’s Office (CDR Barber at barberch@vmi.edu) for final approval by the Deputy Chief of Staff and Operations.

During hours of high demand, non-cadet users and members of Intercollegiate Teams (in or out of season) may temporarily be denied use. This will allow recreational use by the largest number of cadets.

Alumni visiting Lexington who reside out of the area and official VMI guests may request one-time temporary use of the facilities. Requests may be made to CDR Barber, barberch@vmi.edu.

Group events and activities, outside of normal recreational use, must be approved and scheduled through the Commandant’s Office and the Institute Calendar Chair, Deputy Chief of Staff, and, if applicable, must include a Facility Use Agreement. Commandant’s contact is CDR Barber at barberch@vmi.edu.

Physical Education Department classes in the Complex should be scheduled after coordination with the Commandant’s Office (CDR Barber).

Athletic and Club Sports Competition use and access must be scheduled, coordinated and approved by the Commandant’s Office (CDR Barber).
