**Policy and Procedures for Textbooks**

**Introduction**

The purpose of this policy and procedures is to ensure transactions involving textbooks being purchased from and returned to the VMI Bookstore are completed in a consistent manner.

**Textbook Policy**

A textbook policy for each ROTC detachment as well as the Athletic Department is included as Appendix A-D. These policies shall govern textbook issue and return of the respective department as amplified in the following paragraphs.

**Purchase of Books**

Each cadet must purchase their own textbooks.

Cadet-athletes who receive textbooks as part of their athletic financial aid will use the VMI bookstore as the sole point of purchase and return for all textbooks. All other cadets are allowed to purchase books from the VMI Bookstore, another cadet, and other bookstores.

A cadet-athlete shall present a copy of his current academic class schedule to a bookstore representative prior to receiving any textbooks.

A bookstore representative shall review the intended purchase against the class schedule to ensure the individual is only purchasing textbooks which are required for that cadet-athlete's current academic schedule.

**Personal Identification of Books**

All cadets will mark their name in their books upon purchase inside the front cover. Books will be randomly checked as part of Corps room inspection to verify compliance.

**Transfer of Ownership or Sale of Books**

A cadet-athlete who receives textbooks as part of their athletic financial aid shall return their textbooks to the VMI Bookstore. Cadet athletes should only return books issued to him or her personally.

Textbooks returned to the VMI Bookstore will comply with VMI Bookstore policies and procedures.

**Lost and Found Textbooks**

Any textbooks that are lost and found on the VMI Post are to be turned into the VMI Guard Room.

Each academic department will monitor study areas and classrooms and send any abandoned or lost textbooks to the VMI Guard Room and subsequently turned over to the Regimental S4. Textbooks with names in them will be returned to the owner. If no name is found in the textbook, it will be stored in the S-4 locker and sold at the end of the semester.

All textbooks unclaimed at the end of the semester will be collected and sold to the VMI Bookstore by the Regimental S-4. Proceeds from the sale of textbooks will go to the VMI General Fund. The Regimental S-4 Captain is responsible for ensuring the monies from the sale of textbooks are turned into the VMI Comptroller.

Any textbooks that the VMI Bookstore does not purchase will be given away and/or discarded.

**Out-Processing Cadets**

The form used to out-process cadets will include a line item to verify that all textbooks have been returned to the VMI Bookstore. All cadets leaving VMI must sell their textbooks back to the VMI Bookstore or take them with their other personal belongings.

The VMI Honor Court will return textbooks of cadets who are dismissed for an honor violation. Proceeds from the sale of the textbooks will be mailed to the former cadet in accordance with existing out-processing procedures.

### Athletic Department Point of Contact

The Athletic Business Officer shall be the single point of contact for all matters pertaining to textbooks.

Each head coach will provide the Athletic Business Officer, prior to the start of an academic year (or summer session), a list of those cadet-athletes who are entitled to textbooks for that year (or summer session).

The Athletic Business Officer shall compile the team lists into a single, consolidated, alphabetized list and forward the list to the bookstore. Only those cadet-athletes whose name appears on the list will be able to draw textbooks.

### VMI Bookstore Point of Contact

The textbook manager shall be the single point of contact for all matters pertaining to the issue and sell back of textbooks for cadet-athletes.

The textbook manager shall issue textbooks according to the provided list, checking off each cadet-athlete as they draw books and annotating the amount of purchase for each individual.

Textbook issue will be closed out at 1600 hours on the day following the end of the VMI drop/add period.

Once closed, the textbook manager shall tally up the total amount of textbook purchases by authorized cadet-athletes and submit a bill for payment to the Keydet Club via Athletic Business Officer.

### Entitlement

Full athletic scholarship cadet-athletes automatically are entitled to receive textbooks.

All other cadet-athletes may or may not receive textbooks as part of their athletic financial aid package. Each head coach will indicate which of their players shall be so entitled by annotating "plus textbooks" on an individual's initial grant-in-aid letter.

For budget and planning purposes, a figure of \$800 annually shall be used for each cadet-athlete entitled to receive textbooks.

## **Appendix D: Athletic Department Book Policy Page 2 of 2**

### **Purchase of Books**

Each cadet-athlete must purchase their own textbooks.

Cadet-athletes who receive textbooks as part of their athletic financial aid will use the VMI bookstore as the sole point of purchase and return for all textbooks.

A cadet-athlete shall present a copy of his current academic class schedule to a bookstore representative prior to receiving any textbooks.

A bookstore representative shall review the intended purchase against the class schedule to ensure the individual is only purchasing textbooks which are required for that cadet-athlete's current academic schedule.

### **Textbook Return**

Cadet-athletes should only return books issued to him or her personally.

ALL textbooks issued shall be returned to the textbook manager in the VMI Bookstore at the completion of the current semester UNLESS that textbook is required next semester for part two of a particular course (Such as English 102, Spanish 102, etc.), in which case the cadet-athlete must so inform the textbook manager, in person, so that they can make an appropriate annotation on the book return list.

As a cadet-athlete returns books, the textbook manager shall check off that individual from the list and annotate the amount of credit which the Keydet Club shall receive from the returned textbooks. (Note: the credit belongs to the Keydet Club, not the cadet-athlete.)

Book(s) that are claimed to be lost, stolen, are damaged, or those that an individual desires to keep for their personal library, shall be paid for by the cadet-athlete at the current rate as determined by the VMI Bookstore...there will be NO EXCEPTIONS.

Failure to return or pay for books by 1600 hours on the day after the last scheduled final examination shall result in a hold being placed on a cadet-athlete's official transcript. This hold will also deny a cadet-athlete the ability to register for future courses. Additionally, a cadet-athlete will lose their entitlement for future textbooks.

Once textbook return is closed, the textbook manager shall tally up the total amount of textbook credit generated from cadet-athletes and provide a check for that amount to the Athletic Business Officer payable to the Keydet Club.
