1. **Purpose:** This policy documents policies, accommodations and active duty regulations which apply to all cadets voluntarily or involuntarily called to active duty for a specified or indefinite period of time during an individual’s enrolled cadetship, as well as veteran cadets. The regulations outlined apply to individuals admitted and who have provided deposits at VMI, actively enrolled in the Fall or Spring full-time semester, or between semesters provided that the cadet is in continuing status and expected to return the next full-time semester.

   In accordance with the Virginia Tuition Relief, Refund and Reinstatement Guidelines set forth by the State Council of Higher Education (SCHEV), the following definition of service applies:

   “Service in the uniformed services” means service (whether voluntary or involuntary) on active duty in the Armed Forces, including such service by a member of the National Guard or Reserve, for a period of more than 30 days under call or order to active duty of more than 30 days.”

   **NOTE:** Due to VMI’s unique military structure and the rigid physical requirements of the program, applicants are normally not less than sixteen (16) or more than twenty-two (22) years of age at matriculation, and may not be married and/or the parent of a child. As a result, policies pertaining to children and spouses of active duty military personnel are not required in accordance with VMI attendance requirements.

**Active Duty Activation While an Enrolled Cadet:**

2. Cadets currently enrolled will be given the following three options to choose from based on the timeframe in which the activation is initiated.

   A. **Prior to the Start of the Semester:** Cadets will be placed on Active Duty Administrative Leave for the period in which the activation takes place.

   B. **During the Semester – Early Semester Activation:** If the activation takes place early in the semester the cadet will be placed on administrative leave for the period specified. All courses will be graded with a non-punitive grade of “W,” tuition will be refunded at 100% and room and board will be pro-rated based on published fees.

   C. **During the Semester – Late Semester Activation:** If the activation takes place late in the semester and the cadet and the instructor are able to make appropriate arrangements to complete all or some of the semester’s courses, such courses will be awarded an “Incomplete” grade subject to satisfactory and timely completion of course requirements. This option will be applied on a case-by-case basis by Department Heads, dependent upon the feasibility of completing course work and accommodation of arrangements with the appropriate faculty members. Courses less than two-thirds completed normally will
not be considered for this option. Instructors must submit to the Registrar a “Report of Incomplete Semester Grade” signed by the cadet and by the appropriate Department Head. If this Incomplete Semester Grade option is chosen, no reimbursement of tuition or fees will be provided, and the cadet will be placed on Active Duty Administrative Leave for the following semester. Courses not completed within the specified time arranged with the instructor will receive a grade of “W.”

3. **Return from Leave Time Limit:** If all requirements of Section 487 of the Higher Education Opportunity Act of 2008 (HEOA) are met, cadets activated while a full-time cadet at the Institute will have five years from the completion of their active duty assignment to return to VMI to fulfill their degree requirements, unless HEOA allows a longer period. Cadets are reminded, however, that they are still responsible to fulfill all institutional obligations and meet all policies of the Institute including:
   - Marriage and Parenthood Policy
   - Current Curriculum Requirements or new program of choice if the original curriculum is no longer offered.
   - Residency and Graduation Requirements
   - Ratline requirements for cadets who are deployed prior to Ratline completion. See Section 5.
   - A clean disciplinary record while away from the Institute. Pursuant to the HEOA, VMI reserves the right to deny the return of any cadet receiving a dishonorable or bad conduct discharge.

4. **PROCEDURE:**
   A. **Current Cadets:** Upon notification of activation, cadets should report to the Registrar’s Office – Shell Hall with the official orders or contact information of where orders can be verified. Cadets will be advised of the process and procedures for out-processing. Copies of the official orders are required for the VMI files unless a rare exception pursuant to Section 487 of the HEOA allows an alternative process. A copy of this General Order will be provided to each out-processing cadet.
   Admitted Cadets Not Yet Matriculated: Contact the Admissions Office and provide a copy of the official orders of activation.
   B. Cadet status will be assigned as “Administrative Leave – Active Duty.” Cadets will not fall under the Active Duty Policy unless activated while under continuous enrollment, and until official orders are received and on file at the Institute (unless a rare exception pursuant to Section 487 of the HEOA allows an alternative process).
   C. Upon determination of when the cadet wishes to return to VMI, the cadet must file a Health Update Form – Return from Active Duty and Return from Leave Form. These forms should be forwarded to the Registrar’s Office in order to formally notify VMI of the intent to return. This should be done as soon as the cadet makes a determination to return to assure that processing can be completed timely. An electronic copy of this form can be found on VMI’s website at [www.vmi.edu/RegistrarForms](http://www.vmi.edu/RegistrarForms).
   D. For active duty periods extending over ninety (90) days, the cadet must file with the Registrar’s Office a copy of his/her DD 214.
   E. Once the Return from Leave Form has been filed, the Registrar’s Office will review the file to determine if additional information is required.
F. Readmission will be processed beginning the start of the next scheduled full-time semester. A cadet will return under the same status and conditions in effect at the time of departure (i.e. Academic Probation, Conduct Probation, Academic Stars, etc.); will be assigned to the academic class based on completed credits; and will be assigned the appropriate privilege class by the Commandant based on current Institute policy and semesters absent from VMI.

5. **RAT LINE:** The Superintendent, based on input from the Commandant and the time the deploying cadet spent in the Ratline, will determine if the cadet will get credit for completing the Ratline. If it is determined the cadet must repeat the Ratline, and all other relevant requirements listed above have been satisfied, readmission will be granted for the next fall matriculation period following the cadet’s release from his/her active service commitment.

6. **REIMBURSEMENT POLICY:** Any cadet enrolled in a given semester who is called to active duty (as verified through official individual orders) will be provided with a reimbursement based on the following policy:
   A. Cadets who choose to earn grades and/or incompletes for the semester of activity – No reimbursement will be given.
   B. Cadets who are withdrawn for the semester and receive all “W” grades – reimbursement of tuition, fees and deposits will be at 100% with room/board fees pro-rated based on the date of out-processing.

   *NOTE:* Cadets may choose to complete the semester and receive grades, or withdraw for the semester with non-punitive grades assigned and reimbursement of tuition, fees and deposits. There is no provision for pro-rated tuition for course completion.

7. **OTHER IMPLICATIONS:**
   A. Cadets on active duty are considered on Active Duty Administrative Leave and must return all uniform items to the QMD as part of the normal clearance process before departure. Cadets who fail to return their uniforms, even if they are on administrative leave, will be charged for unreturned items.
   B. Cadet email accounts will be deactivated until cadets file their Return from Leave Form. At that time the email accounts will be reactivated based on the anticipated date of return to the Institute. Cadets who wish to maintain an email account may contact their unit coordinator to arrange for an AKO account, or may contact VMI’s Information Technology Department in writing to request their VMI email account remain active until the completion of degree requirements or until non-qualification time limits are reached.
   C. Cadets who choose to leave prior to the start of their formal active duty are reminded that their full-time status ends on the date of out-processing. This date is important as it reflects the date reported to the Department of Education and National Student Clearinghouse for purposes of full-time status for insurance coverage and loan repayment (if applicable). Cadets are urged to contact these agencies for implications related to their active duty status.
   D. VMI’s bookstore operations are outsourced through Follet. Cadets should contact the bookstore immediately upon notification of activation to arrange for any reimbursement afforded for books obtained. Reimbursement for returned books will be based on the Follett reimbursement policy at the time of return.
8. REINSTATEMENT:
   A. Cadets who leave VMI under active duty orders return under their original program
      requirements provided that the program is still offered at the Institute. In cases in which
      the program is no longer offered, the cadet will work with the academic department head
      and Dean to establish the guidelines, requirements and program substitutions to
      successfully complete the remaining requirements of a mutually agreeable program
      which closely aligns with the interests and requirements of the cadet.

   B. Upon return to VMI, cadets are also invited to a veteran support reception which is
      hosted to assist with assimilation back into the Corps of Cadets. The goal of this
      reception is to welcome cadets back to VMI and introduce them to the support resources
      available to them on Post. Support personnel and resources consist of the VMI
      Superintendent, Deputy Superintendent for Academics and Dean of the Faculty, VMI
      Chaplain, Commandant, Cadet Counseling, Institute Physician, Veteran Liaison, and
      other support resources that can assist a cadet to successfully return to VMI and complete
      his/her program requirements.

   C. Course Registration Policy: VMI observes a course admittance process which
      accommodates pre-registration based on class – those graduating the soonest get first
      priority on course availability. VMI schedules classes based on its scheduled catalog
      requirements, and guarantees the classes needed for cadets to graduate provided the cadet
      meets the pre-requisite requirement and the course is scheduled to be offered. Academic
      departments accommodate an override to assure cadets get into required major-specific
      classes needed to graduate provided that:

      1. The course is appropriate to the level of attendance.
      2. He/she meets the background and eligibility criteria for admittance.
      3. The timeframe required for completion of program requirements can be met.

      Given the above practice, veterans and active duty members of the United States Armed
      Forces are afforded every opportunity to get the required major-specific courses needed
      to complete their programs. (NOTE: Electives are not considered major-specific
      requirements.) Such accommodations would include wait list overrides, as well as closed
      course overrides approved through the appropriate academic department head(s) to
      ensure that cadets who return from a military activation are not subject to delayed
      completion due to closed courses.

   D. Transfer Credit Policies: The following transfer credit policies are observed at VMI for
      cadets returning from active duty:

      Military Training:
      Incoming and matriculated cadets who complete military training may request a review
      of their programs with the appropriate Military Science Department Head. Credit will be
      evaluated based on how the military training equates to the ROTC course requirements at
      VMI, as well as successful completion of military training requirements.

      Credit taken prior to Matriculation:
      1. Courses taught by an accredited institution will be accepted for transfer to VMI upon
          certification by the VMI department head that the course meets departmental
          standards for curricular content and instructional methodology.
2. Advanced Placement Credit: Semester-hour credit may be awarded for grades of 4 or 5 (honors and high honors), with placement credit for a score of 3. Electives must be taken to fill the credit-hour requirement for graduation for any cadet earning a score of 4. For a current listing of AP credit acceptance please refer to VMI’s website at: www.vmi.edu/AP

3. International Baccalaureate Credit: Semester-hour credit may be awarded for grades of 5 higher, with placement credit for a score of 4. Electives must be taken to fill the credit-hour requirement for graduation for any cadet earning a score of 4. For a current listing of AP credit acceptance please refer to VMI’s website at: www.vmi.edu/IB

4. Cambridge Exams: A-Level exams will be evaluated by the appropriate department head at the time of application based on the current course content. For a listing of currently approved A-Level examinations, please see VMI’s website at: www.vmi.edu/CE

AS Level Credit: Cadets who matriculate at VMI with Cambridge International AS-Level credit will be evaluated on a case-by-case basis by the academic department head which oversees the course content. Acceptable grades of B/C or better in AS level Cambridge International work may be eligible for placement credit based on the evaluation of the department head.

VMI does not accept credit by examination, DANTES, ACE or credit taken at non-accredited institutions.

Credit taken After Matriculation:
Courses requested for transfer should be pre-approved by the VMI department head who certifies the curriculum area. Courses taught by an accredited institution will be accepted for transfer credit; however, cadets are advised to get all courses pre-approved to assure the course will transfer towards appropriate degree program requirements.

NOTE: The acceptance of on-line courses is at the discretion of the curriculum area department head. Pre-approval of all transfer credit is again recommended to ensure transferability prior to completing any course.

Cadets are allowed and encouraged to take additional coursework while separated from VMI for military or active duty service. However, they are requested to work closely with their academic adviser and department head to work out a plan of transfer which would apply to their VMI program, and which is pre-approved to ensure transferability.

The following regulations apply:
- Courses should be reviewed and approved prior to registration and completion.
- 75% of all program requirements must be completed at VMI (Class of 2014 and beyond), unless cadets matriculated at VMI with advance standing credit. If there is a question, please consult with the Registrar’s Office to determine transfer credit status.
- Only 18 credits taken during the summer/winter term(s) will be accepted once a cadet matriculates at VMI.
- Writing Intensive courses, Civilizations and Cultures Courses, and some major-specific courses must be taken at VMI in order to earn a degree at the Institute.

9. Veteran / Military Personnel – Support Contacts:
Cadets needing assistance in support of their military leave, return to VMI or completion of program requirements may seek the assistance of the following liaisons established to assist veterans and active duty military cadets:

<table>
<thead>
<tr>
<th>CONTACT</th>
<th>TITLE/FUNCTION</th>
<th>SUPPORT AREA</th>
</tr>
</thead>
<tbody>
<tr>
<td>COL Gary Bissell</td>
<td>Veteran Liaison</td>
<td>All Veteran and Military-Related questions, inquiries and referrals</td>

FOR THE SUPERINTENDENT:

James P. Inman  
Colonel, US Army (Ret.)  
Chief of Staff

DIST: E, Cadets
Cadet Health Update Form – Return from Active Duty

This form is to ensure that VMI provides you with adequate medical assistance on your return and is not used for readmission evaluation.

Cadet Name:______________________________________________________________

Returning Semester:_______________ Major:_____________________________

Since you left VMI, have you had any significant medical or psychological problems?

Yes______  No_______

If yes, please describe briefly the condition and list any medication you take.

_______________________________________________________________________

_______________________________________________________________________

_______________________________________________________________________

_______________________________________________________________________

_______________________________________________________________________

_______________________________________________________________________

Please send any medical records related to health problems to:

David L. Copeland, M.D.
VMI Infirmary
488 Institute Hill
Lexington, VA 24450
Fax: 540-464-7707

Cadet Signature:_________________________________________ Date:_____________
Virginia Military Institute

Notice of Return from Leave

Cadet Name:___________________________________________    Telephone:_________________

Address:__________________________________________________________________________

(Street)                                          (City)                     (State)              (Zip)

Has your address changed since you were last at VMI?    □ Yes    □ No

Date Entered VMI:_______________________________    Date Left VMI:____________________

Type of Leave: □ Academic Leave □ Active Duty □ Medical Leave □ Administrative Leave

VMI Class:______________    Academic Major:________________________________________

Semester that you wish to return:    □ Fall    □ Spring    Year:____________

INSTRUCTIONS:

If you have completed a term at another school while you were on leave, please have an official transcript sent to VMI, c/o Registrar's Office, 303 Shell Hall, Lexington, Virginia 24450.

Cadets on medical leave must forward all medical documentation to the VMI Hospital for review and approval. Medical leave must be cleared by the VMI Physician before the return from leave can be approved and processed.

I hereby affirm that I meet all institutional guidelines pertaining to VMI’s marriage and parenthood policy, and have not been arrested for or convicted of a felony or misdemeanor other than a minor traffic violation during my period of non-attendance.
