# Fact Book

OFFICE OF INSTITUTIONAL  
EFFECTIVENESS

# Preface

The Virginia Military Institute's Fact Book is compiled by the Office of Institutional Effectiveness (OIE). The Fact Book continues to provide reliable statistical data and summary information designed to answer the most frequently asked questions about VMI. The Fact Book is based on sound institutional research and serves as a good first point of reference for institutional assessment, self-study, and planning. In total, this fact book provides the institutional profile as of Fall 2025 for a limited number of frequently requested data points. OIE would like to sincerely thank everyone who provided data, information, and suggestions that contributed to the improvement and integrity of the Fact Book. This publication is reflective of the collaborative nature of our Post community and its dedication to engagement.

# Mission and Vision

## Mission

Virginia Military Institute believes that the measure of a college lies in the quality and performance of its graduates and their contributions to society.

Therefore, it is the mission of Virginia Military Institute to produce educated, honorable men and women, prepared for the varied work of civil life, imbued with love of learning, confident in the functions and attitudes of leadership, possessing a high sense of public service, advocates of the American Democracy and free enterprise system, and ready as citizen-soldiers to defend their country in time of national peril.

To accomplish this result, Virginia Military Institute shall provide to qualified young men and women undergraduate education of highest quality — embracing engineering, science, and the arts — conducted in, and facilitated by, the unique VMI system of military discipline.

## Vision

To be the premier small college in the nation, unequalled in producing educated and honorable citizen-leaders, with an international reputation for academic excellence supported by a unique commitment to character development, self-discipline and physical challenge, conducted in a military environment.

# Retention by Race

Notes:  
 1. White cadets have the most stable trend of retention rate from year to year.  
 2. The retention rates for Unknown/Non-resident Aliens changes dramatically due to a small population.

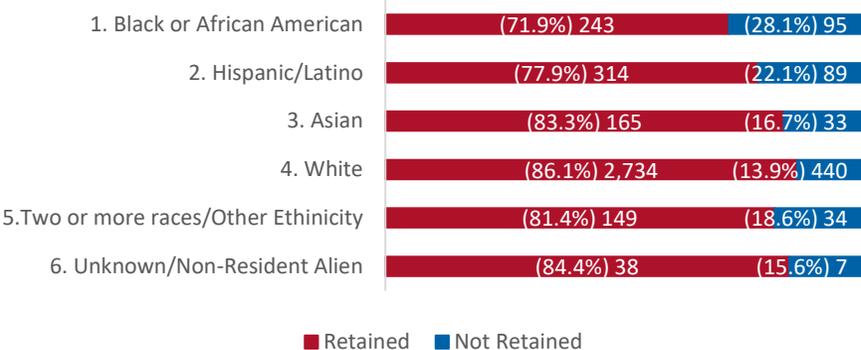

# Retention

## By Gender and Race/Ethnicity (FL15 - FL24 Cumulative )

On average, 13.7% of the cadets in the Retained group are female students; in the Not Retained group, the percentage is 13.0%.

## Retained/Not Retained by Race/Ethnicity (Cumulative FL15 - FL24)

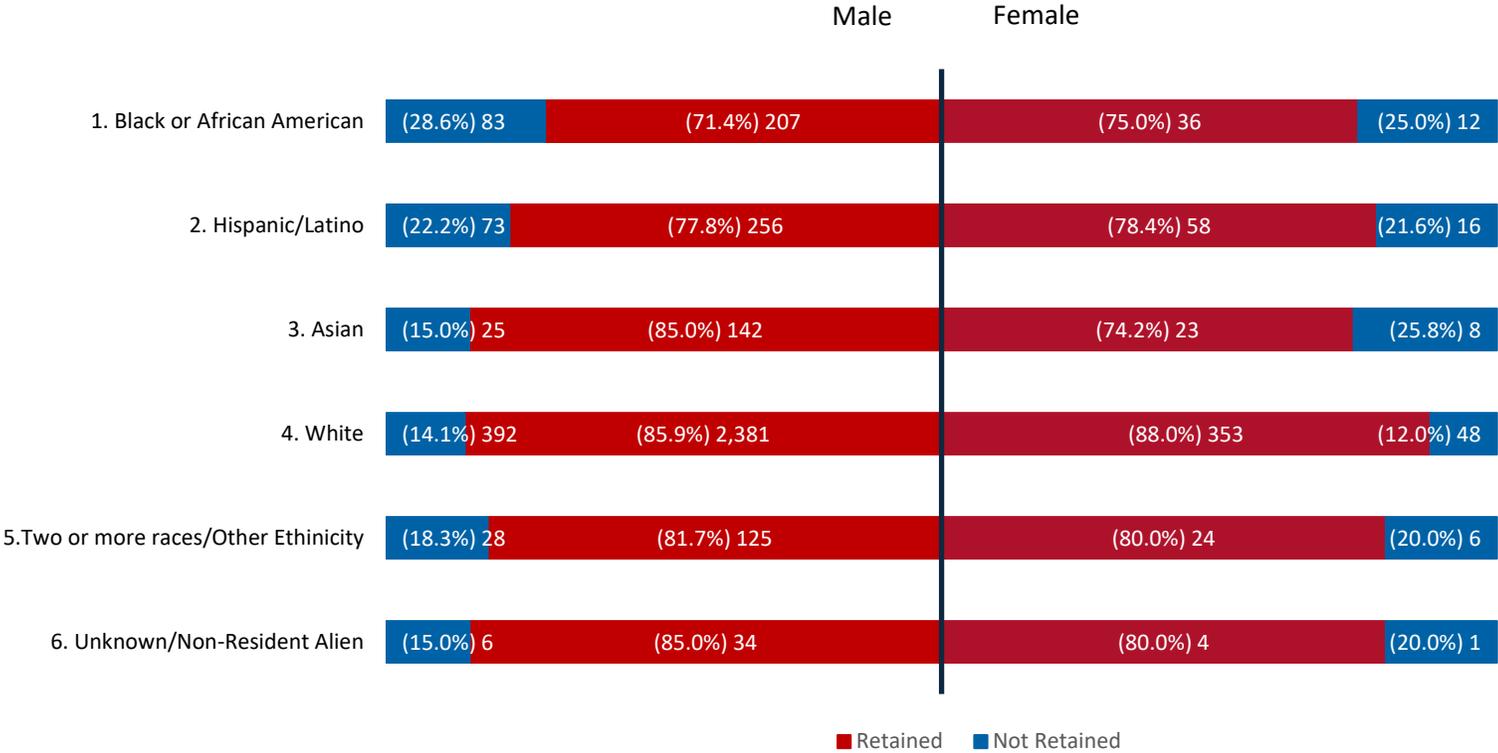

On average, Black or African American & Hispanic/Latino cadets have lower retention rates than other race/ethnicity groups.

# Tuition and Fees

## Explanation of Fees

### Housing and Food (Room and Board)

Housing and Food are required since all cadets live in barracks and are provided 21 meals per week.

### Auxiliary Fees

Costs of medical services, cadet facilities, and activities.

### Quartermaster Charges

Covers haircuts and uniforms. Uniforms are state property and must be returned to the Institute. Qualified cadets enrolled or under contract in the ROTC program receive a uniform allowance directly from the federal government which helps defray the cost of cadet uniforms.

### Deposit

The Deposit covers property damages, lost property, and unpaid obligations to VMI. The deposit shall equal \$300 and be paid by all incoming and returning cadets. VMI returns this deposit, less any deductions for damages or unpaid obligations and without interest, upon graduation of the cadet or the termination of the cadetship.

### Health Insurance

Health Insurance is a required fee for all International cadets. The amount included is an estimate for the 2024-25 academic year. Please contact the Office of International Programs for specific coverage information.

### Direct Costs

Direct Costs include VMI billable expenses. Tuition, fees, housing, and food are VMI's Direct Costs.

### Indirect Costs for 2024-25

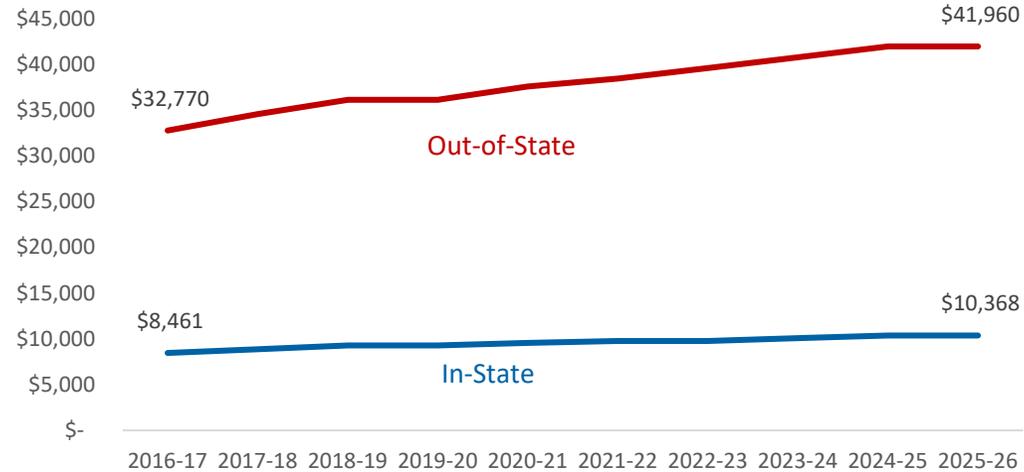

In-state cadets should plan on \$3,350 in Indirect Costs. Indirect Costs include other expenses you may incur, including approximately: \$1,200 books, source materials, supplies and equipment; \$1,700 personal expenses (potential loan origination fees); and \$450 transportation.

Out of state cadets should plan on an estimated \$4,300 in Indirect Costs. Indirect Costs include other expenses you may incur, including approximately: \$1,200 books, source materials, supplies and equipment; \$1,700 personal expenses (potential loan origination fees); and \$1,400 transportation.

# FINANCIAL AID

# Financial Aid

In 2024-25, over 84% of the Corps of Cadets receives some form of financial aid (Federal Loans, ROTC, Athletics, Merit, need-based aid, etc.).

About 51% of cadets received need-based financial aid.

About 29% of cadets received ROTC Scholarships.

VMI strives to provide financial assistance to meet 100% of federally (FAFSA) determined need for Virginia cadets (including loans) and 60% of determined need for non-Virginia cadets (including loans).

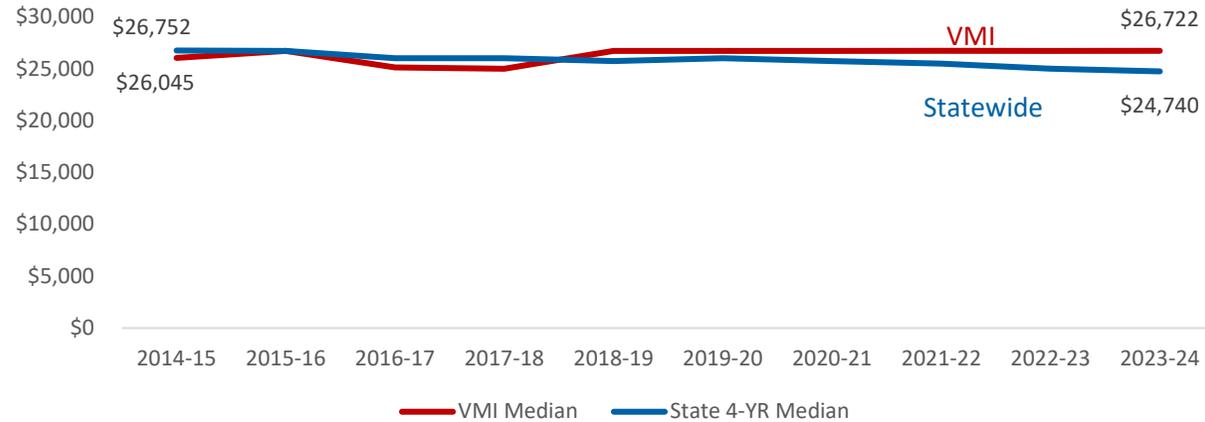

Annually, VMI provides from its own resources, primarily from the Alumni Agencies, over 17.09 million dollars in cadet scholarship assistance, broken down as follows:

Need-based	\$8.47 million
Athletics	\$5.86 million
Non-need-based to include merit	\$2.74 million
