1. Cadet Examination Procedures:

- a. **Attention Potential May Graduates:** All potential May 2026 graduates with a graduation date of 17 May 2026 **must** complete all final examinations by 1130 on Monday 11 May. Be sure to check your exam schedule well in advance to ensure this is possible.
- b. **Attention All Cadets:** You must take your examinations according to the published schedule.

Exceptions:

- 1) You may take a scheduled final examination with another section of the same course taught by the same instructor with the approval of the course instructor (no permit is necessary).
- 2) If you are scheduled for three examinations in a row, plan to graduate in May 2026, or have another *compelling* reason (medical appointment, documented disability requiring a change, etc.), you may reschedule an exam. Generally, medical appointments must be scheduled to avoid conflicts with Corps requirements and responsibilities, including final exams. Requests to change exam times for medical appointments must be compelling (i.e. not routine) and are subject to disapproval. To request an exam change you must submit the Exam Change form with instructor approval on [Etrieve](#) [here](#). **Requests to change exams to facilitate travel plans, employment and most internship obligations* or to attend family vacations or personal leave will be disapproved.** (*Highly qualified cadets who receive a prestigious nationally or internationally competitive internship may request to change exams necessary to participate in the internship. Such cadets should reach out to the Dean's Assistant for Permits to discuss their options.) Permits requesting a change for a compelling medical appointment, or a documented disability must be approved by the Institute Physician or the Director of Cadet Counseling, respectively. Requests by NCAA Athletes must be approved by the Assistant Athletic Director for Cadet-Athlete Success. Permits must be submitted **via Etrieve** [here](#) no later than COB Friday 10 April. Late and/or frivolous permits will be referred to the Deputy Commandant for appropriate penalty and may be disapproved.
- c. Report to your classroom no later than 10 minutes prior to the scheduled exam start time.
- d. Begin your examination at the time shown on the exam schedule.
- e. After completing the exam, turn it in to your instructor.
