- a. **Attention Potential May Graduates:** All potential May 2025 graduates with a graduation date of 17 May 2025 **must** complete all final examinations by 1130 on Thursday, 08 May. Be sure to check your exam schedule well in advance to ensure this is possible.
- b. **Attention All Cadets:** You must take your examinations according to the published schedule.

Exceptions:

- 1) You may take a scheduled final examination with another section of the same course taught by the same instructor with the approval of the course instructor (no permit is necessary).
- 2) If you are scheduled for three examinations in a row, plan to graduate in May 2025, or have another compelling reason (medical appointment, documented disability requiring a change, etc.), you may reschedule an exam. Generally, medical appointments must be scheduled to avoid conflicts with Corps requirements and responsibilities, including final exams. Requests to change exam times for medical appointments must be compelling and are subject to disapproval. To request an exam change you must submit the Exam Change form with instructor approval to the Dean's Assistant for Permits (COL Jeff Kendrick), Dean's Office representative. Requests without instructor approval will be returned. **Requests to change exams to facilitate travel plans, employment and internship obligations or to attend family vacations will be disapproved.** Frivolous requests will be forwarded to the Deputy Commandant for appropriate penalties. Permits requesting a change for a compelling medical appointment, or a documented disability must be approved by the Institute Physician or the Director of Miller Academic Center, respectively. Such permits must be submitted in person to the Dean's Assistant for Permits no later than COB Friday, 11 April. Late and/or frivolous permits will be referred to the Deputy Commandant for appropriate penalty and may be disapproved.
- c. Report to your classroom no later than 10 minutes prior to the scheduled exam start time.
- d. Begin your examination at the time shown on the exam schedule.
